Dawn Dixon can hardly believe she is on a groomless honeymoon on beautiful Cape Cod with her mother Sure Marnie Dixon is good company but Dawn was supposed to be here with Kevin the love of her life or so she thought Marnie Dixon needs some time away from the absolute realness of life as much as her jilted daughter does and she is not about to let her only child suffer alone even if Marnie herself had been doing precisely that for the past month Given the circumstances maybe it was inevitable that Marnie would do something as rash as buy a run down ice cream shop in the town's tightly regulated historic district After all everything is better with ice cream Her exasperated daughter knows that she is the one who will have to clean up this mess Even when her mother's impulsive real estate purchase brings Kevin back into her life Dawn doesn't get her hopes up Everyone knows that broken romances stay broken don't they Welcome to a summer of sweet surprises on Cape Cod a place where dreams just might come true This deliciously concocted novel is a charming start to a sure to satisfy series
