

Face-to-Face Encounter Form Guidelines

All sections of the Face-to-Face Encounter Form must be complete. Physician support staff, such as nurse or social worker, can fill in the form based on the documentation in the patient's clinical record:

Face-to-Face Encounter Date:

- Write in the date the face-to-face encounter occurred (90 days prior to or 30 days after start of home health services)
 - If a date is on the form and is incorrect, draw a line through it, and write in the correct date of the encounter and initial.

Face-to-Face Encounter Performed By:

- Write in the name of the physician or non-physician practitioner (Nurse Practitioner, Clinical Nurse Specialist, or Physician Assistant) who actually performed the face-to-face encounter

The face-to-face encounter was related to the medical condition. Examples:

- State the medical condition that is the primary reason for home health care: CHF, CAD, COPD, CVA, MI, CABG, Diabetes, Arthroplasty, Cancer, Dysphagia, Neurological Disorder, Anticoagulation Dosing, Fractures, Spinal Fusion, Knee/ Hip Replacement, Laminectomy, Ostomy, Surgery, Wound Care, IV Therapy, Enteral Tube Feeds

I certify...the following are medically necessary home health services:

Check all that apply. (The disciplines listed are those disciplines that qualify as a skilled service for home health care. Other disciplines may be ordered with referral, but are not included on this form).

To provide ... care/treatments:

- Physicians signing the plan of care do not have to complete this section.

Physicians who certify patients as eligible for home health services are required to include an explanation of how the clinical findings of the face-to-face encounter support that the patient is homebound: (examples below)

- Absences from the home require considerable & taxing effort
- Absences from the home are infrequent or of short duration, for medical reasons or religious services
- Medical restrictions; infection, compromised immune status
- Does not apply for Medicare patients

Physicians who certify patients as eligible for home health services are required to include an explanation of how the clinical findings of the face-to-face encounter support the patient's need for intermittent skilled nursing and/or therapy services:

- Write details of the encounter that support the need for the services ordered, for example:
 - Condition requires nursing skilled assessment and interventions, skilled teaching and assessment; Direct skilled care: wounds, ostomies, catheter changes and maintenance, medication administration-injections/IVs, tube feedings, drain management and teaching
 - Condition requires skilled therapy for assessment, gait training, therapeutic exercises, post-operative joint care and teaching

Physician signature required (only the physician can sign and date, no stamps)

Date of Signature (hand written date, no stamps)

Comprehensive Casebook of Cognitive Therapy Frank M. Dattilio, 2013-06-29 This is the golden age of cognitive therapy Its popularity among society and the professional community is growing by leaps and bounds What is it and what are its limits What is the fundamental nature of cognitive therapy It is to my way of thinking simple but profound To understand it it is useful to think back to the history of behavior therapy to the basic development made by Joseph Wolpe In the 1950s Wolpe astounded the therapeutic world and infuriated his colleagues by finding a simple cure for phobias The psychoanalytic establishment held that phobias irrational and intense fear of certain objects such as cats were just surface manifestations of deeper underlying disorders The psychoanalysts said their source was the buried fear in male children of castration by the father in retaliation for the son's lust for his mother For females this fear is directed toward the opposite sex parent The biomedical theorists on the other hand claimed that some as yet undiscovered disorder in brain chemistry must be the underlying problem Both groups insisted that to treat only the patient's fear of cats would do no more good than it would to put rouge over measles Wolpe however reasoned that irrational fear of something isn't just a symptom of a phobia it is the whole phobia (Free Sample) Master Guide for UPTET Paper 2 (Class 6 - 8 Teachers) Mathematics-Science with Past Questions Disha Experts, 2021-07-01 (Free Sample) Master Guide for UPTET Paper 1 (Class 1 - 5 teachers) with Past Questions Disha Experts, 2021-07-01 **(Free Sample) Master Guide for UPTET Paper 2 (Class 6 - 8 Teachers) Social Studies/Social Science with Past Questions** Disha Experts, 2021-07-01 The Virtual Public Servant Stephen Jeffares, 2020-11-30 With recent advances and investment in artificial intelligence are we on the verge of introducing virtual public servants Governments around the world are rapidly deploying robots and virtual agents in healthcare education local government social care and criminal justice These advances not only promise unprecedented levels of control and convenience at a reduced cost but also claim to connect to empathise and to build trust This book documents how after decades of designing out costly face to face transactions investment in call centres and incentivising citizens to self service the tech industry is promising to re humanise our frontline public services It breaks out of disciplinary silos and moves us on from the polarised hype vs fear discussion on the future of work It does so through in depth Q methodology interviews with a wide range of frontline public servants from doctors to librarians from social workers to school receptionists and from police officers to call handlers The first of its kind this book should be of interest across the social sciences and to anyone concerned with how recent measures to digitise and automate our services are paving the way for the development of full blown AI in frontline work **The Research Act** Norman K. Denzin, 2017-07-12 At once a unique textbook for methods courses and a major contribution to sociological theory this book teaches students the principles of research and how to construct and test theories It brings coherence to the study of methods by presenting four major approaches to experimentation survey research participant observation life histories and unobtrusive measures from a single theoretical

point of view symbolic interaction It demonstrates the need for a synthesis between theory and methods and shows how different methods limit and affect research results Denzin s argues that no single method theory or observer can capture all that is relevant or important in reality He argues for the use of triangulation and for a view of theory and methods as concept sensitizers His approach enables sociologists to acquire specific facts about a particular situation while simultaneously elevating these to the level of shared meaning The author shows students how to proceed with research bringing sharply into focus the possibilities and their limitations Since his view is integrated rather than eclectic this is much more than a how to do it manual Denzin points out aspects of research that fall outside the scope of a given method yet affect results and emphasizes the need to employ several methods to cross check each other The Research Act covers all the content of conventional methods courses The presentation is exciting and imaginative and provides a thorough review of major sociological methods a cogent statement about approaches to sociological inquiry and a source from which a understanding of the problems of research can be derived

Classrooms and Corridors Mary Haywood Metz, 2023-11-15 *Classrooms and Corridors* The Crisis of Authority in Desegregated Secondary Schools delves into the complex dynamics of education and social order within two urban junior high schools navigating the challenges of desegregation Based on extensive fieldwork this book provides a vivid in depth portrayal of daily life in these schools highlighting the struggle to balance academic objectives with the need for safety and civility Through detailed observations interviews and an analysis of over 4 000 pages of notes and transcripts the author offers a nuanced examination of how educators and students interact in a charged environment shaped by shifting racial social and cultural contexts The study s rich narrative captures how these unique circumstances reveal broader processes that influence schools across the nation making it a vital resource for understanding the intersection of education authority and community in transitional settings Written with both scholarly rigor and accessibility for educators parents and policymakers *Classrooms and Corridors* transcends theoretical analysis to provide practical insights The book situates its findings within the broader framework of organizational theory and authority offering a lens through which to interpret the challenges of maintaining order and fostering cooperation in diverse educational environments By documenting the experiences of teachers administrators and students during a transformative period in American history it illuminates the often invisible forces that shape learning and behavior This compelling study is not only a chronicle of two extraordinary schools but also a guide to understanding the universal challenges faced by secondary schools striving to integrate academic success with an equitable and harmonious community This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978

Ministers and Masters Charity R. Carney, 2011-11-21 In *Ministers and Masters* Charity R Carney presents a thorough account of the way in which Methodist preachers constructed their own concept of masculinity within and at times in defiance of the constraints of southern honor culture of the early nineteenth century By focusing on this unique subgroup of southern men the book explores often debated concepts like southern honor and patriarchy in a new way Carney analyzes Methodist preachers both involved with and separate from mainstream southern society and notes whether they served as itinerants venturing into rural towns or remained in city churches to witness to an urban population Either way they looked spoke and acted like outsiders refusing to drink swear dance duel or even dress like other white southern men Creating a separate space in which to minister to southern men women and children oftentimes converting a dancehall floor into a pulpit they raised the ire of non Methodists around them Carney shows how understanding these distinct and often defiant stances provides an invaluable window into antebellum society and also the variety of masculinity standards within that culture In *Ministers and Masters* Carney uses ministers

stories to elucidate notions of secular sinfulness and heroic Methodist leadership explores contradictory ideas of spiritual equality and racial hierarchy and builds a complex narrative that shows how numerous ministers both rejected and adopted concepts of southern mastery Torn between convention and conviction Methodist preachers created one of the many Souths that existed in the nineteenth century and added another dimension to the well documented culture of antebellum society

Surveys in Social Research D. A. De Vaus, 2002 As well as explaining how to conduct effective social research surveys the author of *Surveys in Social Research* provides a range of tools to enable the reader to become a critical consumer of research findings

Alien Encounters Unveiled: A Speculative Guide to Survival Rosedi Che Rose, Embark on a captivating journey blurring the lines between speculation and reality in *Alien Encounters Unveiled* This exploration delves into the speculative realm of advanced civilizations and their intentions It navigates the uncharted territories of hostile alien invasions shedding light on the interplay between adaptability and foresight Amidst this the enduring essence of unity and collaboration surfaces as crucial survival tools Transitioning from the speculative to the tangible we explore resource management amid global alien threats revealing shared values of fairness and compassion

Practical strategies from communication to equitable distribution bridge the gap between the hypothetical and the real. Survival tactics and diplomacy form a dual approach mirroring humanity's multifaceted nature. As we contemplate survival skills and engage in practical solutions, the importance of understanding and practical engagement is evident. Venturing into a sinister perspective, we examine the exploitation of human religious beliefs by hostile aliens. The manipulation of faith for control underscores the significance of vigilance and critical thinking. Unity, empathy, and collective wisdom weave throughout our journey. In the face of adversity, the ability to come together, extend compassion, and communicate resonates as an essential essence. As we conclude *Alien Encounters Unveiled*, it urges us to embrace a blend of speculation and practicality. From contemplating extraterrestrial encounters to envisioning survival strategies, this book equips us to navigate the unknown. Unity, empathy, and cooperation, the very foundation of humanity, guide us through the unwritten future. In unity and empathy, we find strength; in speculation and pragmatism, we unearth the tools to thrive in a world both known and unknown.

The Changing Faces of Childhood Cancer Joanna Baines, 2014-12-18. This book traces the development of British answers to the problem of childhood cancer. The establishment of the NHS and better training for paediatricians meant children were given access to experimental chemotherapy, sending cure rates soaring. Children with cancer were thrust into the spotlight as individuals; stories of hope hit the headlines.
