Moulding the Female Body in Victorian Fairy Tales and Sensation Novels Laurence Talairach-Vielmas, 2016-04-15 Laurence Talairach Vielmas explores Victorian representations of femininity in narratives that depart from mainstream realism from fairy tales by George MacDonald Lewis Carroll Christina Rossetti Juliana Horatia Ewing and Jean Ingelow to sensation novels by Wilkie Collins Mary Elizabeth Braddon Rhoda Broughton and Charles Dickens Feminine representation Talairach Vielmas argues is actually presented in a hyper realistic way in such anti realistic genres as children's literature and sensation fiction In fact it is precisely the clash between fantasy and reality that enables the narratives to interrogate the real and re create a new type of realism that exposes the normative constraints imposed to contain the female body In her exploration of the female body and its representations Talairach Vielmas examines how Victorian fantasies and sensation novels deconstruct and reconstruct femininity she focuses in particular on the links between the female characters and

consumerism and shows how these serve to illuminate the tensions underlying the representation of the Victorian ideal Fairy Tales and the Social Unconscious Ravit Raufman, Haim Weinberg, 2018-03-21 The book combines two main perspectives the study of the social unconscious and the study of fairy tales Examining different versions of fairy tales told by different ethnic communities teaches us about the relations between universal and local cultural aspects of the social unconscious Exploring the unique status of fairy tales as located on the border line between concrete somatic and abstract linguistic realms sheds light on different levels of the human mind The book focuses on a specific phenomenon common in fairy tales a realization of idiomatic expressions a phenomenon in which an abstract mental idea is hidden behind a concrete event embedded in the plot Deciphering the abstract idea out of the pictorial world of the fairy tale enables to understand the stories in a way which is not available otherwise The book suggests interdisciplinary examination reminding us the rich deep messages hidden in fairy tales and connecting us to early developments in the field of psychoanalysis by suggesting new interpretation to old ancient material Old Pine Cove: The Complete Series Sophie-Leigh Robbins, Love romance Enjoy all THREE romcoms from the romantic comedy series Old Pine Cove in one great collection Snowflakes and Sparks A new in town bookstore owner is in for a surprise when she meets her neighbor the gorgeous guy she shared her first kiss with ten years ago Old Pine Cove is the one place on earth Suzie swore she d never return to but then her boss asks her to manage one of their bookstores there Since it s only temporary she agrees Besides what could possibly go wrong Gosh how na ve of her Alex Denverton opening the door with that smoldering look of his that s what could go wrong It s been ten years since she broke his car and his heart How is she supposed to focus on work knowing he s right next door And why did she ever agree to organize the annual Winter Walk with him One thing is certain though If Suzie wants to have a magical Christmas she can t ask Santa to make it happen It's up to her to decide go big or go home Love to Prove You Wrong Hating the guy who ruined her confidence would be a lot easier if he wasn t so freaking sexy For Addy small town life is just perfect She s about to expand her inn with ten new rooms and a petting zoo and she's helping the mayor's son organize his wedding If only her pet duck would stop escaping all the time her days would be an absolute breeze But then Justin Miller shows up at Addv s check in desk The guy went from small town stud to lead actor in a popular series and he s behaving exactly like the celebrity he is Smug grins dimples to die for and hordes of women chasing him all over town Addy has no intention of letting him in her life again not after what happened in high school So what if he keeps trying to prove he s changed No amount of helicopter rides and intimate outings will change the truth Justin Miller is nothing but trouble In For a Treat She s a down on her luck dog walker he s the new vet in town who offers her a great job They d be perfect for each other but the hot new vet has one rule never date a coworker Olive's small town life is crumbling as fast as an expired dog treat Her side business is facing some fierce competition from a stuck up dog walker and her part time job as a barista hardly pays enough to cover the rent Moving back home is out of the question since her parents have turned her old bedroom into an exclusive hamster hotel
