Fake Degrees and Fraudulent Credentials in Higher Education Sarah Elaine Eaton, Jamie J. Carmichael, Helen Pethrick, 2023-01-10 This book addresses an important topic in higher education credential fraud This includes but is not limited to fake degrees diploma mills admissions fraud and cheating on standardized admissions tests The book directly addresses fake and fraudulent credentials in higher education It explores transcript tampering and fraud in varsity athletics and discusses lazy practices in the higher education hiring processes that open the door for professors without proper credentials to get jobs in post secondary institutions The book also discusses how technology is being used to stop the proliferation of fake and fraudulent credentials in a variety of ways including blockchain technology *Veritas* Ariel Sabar, 2021-06-29 From the National Book Critics Circle Award winning author comes the gripping true story of a sensational religious forgery and the scandal that shook Harvard In 2012 Dr Karen King a star religion professor at Harvard announced a breathtaking discovery just steps from the Vatican she d found an ancient scrap of papyrus in which Jesus calls Mary Magdalene my wife The mysterious manuscript which King provocatively titled *The Gospel of Jesus s Wife* had the power to topple the Roman Catholic Church It threatened not just the all male priesthood but centuries of sacred teachings on marriage sex and women s leadership much of it premised on the hallowed tradition of a celibate Jesus Award winning journalist Ariel Sabar covered King s announcement in Rome but left with a question that no one seemed able to answer Where in the world did this history making papyrus come from Sabar s dogged sleuthing led from the halls of Harvard Divinity School to the former headquarters of the East German Stasi before landing on the trail of a Florida man with an unbelievable past Could a motorcycle riding pornographer with a fake Egyptology degree and a prophetess wife have set in motion one of the greatest hoaxes of the century A propulsive tale laced with twists and trapdoors *Veritas* is an exhilarating globe straddling detective story about an Ivy League historian and a college dropout and how they worked together to pass off an audacious forgery as a long lost piece of the Bible Expert Clouds and Applications I. Jeena Jacob, Francisco M. Gonzalez-Longatt, Selvanayagi Kolandapalayam Shanmugam, Ivan Izonin, 2021-07-15 This book features original papers from International Conference on Expert Clouds and Applications ICOECA 2021 organized by GITAM School of Technology Bangalore India during February 18 19 2021 It covers new research insights on artificial intelligence big data cloud computing sustainability and knowledge based expert systems The book discusses innovative research from all aspects including theoretical practical and experimental domains that pertain to the expert systems sustainable clouds and artificial intelligence technologies *Ebook: How to Get a Master's Degree: Everything You Need to Know About Taught Postgraduate Study* E. Anna Claydon, Colin Johnson, 2025-06-18 This book is explicitly designed to echo the structure of the highly successful book *How to Get a PhD* the 2022 edition of which has been co authored by Colin Johnson As such the book functions primarily as a holistic guide for students to all stages of their study at master s level which is the biggest growth

area in UK higher education The book seeks to address students who are studying in many different academic contexts and will engage with differences in disciplines national contexts and experience throughout Like How to Get a PhD this book is designed both to be a book that students can read in order to understand the entirety of the master s process as well as a well organised companion that students can refer to for advice relevant to different stages of their studies The book will also contain advice for supervisors of master s dissertations and staff who are in charge of running master s degree programmes and advice for universities more broadly about strategic issues around master s degrees This rationale behind this connects to the fact that many academics use How to Get a PhD to help inform their work with their students and employ the materials in HE professional teaching qualifications where books such as this also are also often on reading lists Consequently the section aimed at institutional advice will reach audiences in HE staff development who have educational strategy reach as well as colleagues who are mentoring newer academics How to Get a Masters Degree will explain the whole process from application to graduation including how to make a good application again emphasising what is distinctive about master s degree applications This along with materials about the post master s options will make it the only book currently in the market that covers the whole process and will function as a one stop shop for readers despite the plethora of books which engage with Master s dissertations theses Anna Claydon is Associate Professor in Media and Communication at the University of Leicester UK She is Director of Equalities for the School of Media Communication and Sociology She previously led the University review on the postgraduate portfolio Colin Johnson is Associate Professor in Computer Science at the University of Nottingham UK and was formerly Associate Dean for Graduate Studies in the sciences at the University of Kent He is an experienced PhD supervisor and examiner and has led training courses for new PhD students and advised on postgraduate strategy for a number of universities
