You are so excited! You just bought a fixer-upper for a great price. It even comes with a octagonal hot tub in the backyard. However, there is lots of work to do before you can move in. The bathrooms and kitchen need new inlaid linoleum. The baseboard in all of the rooms needs to be replaced. The bedroom and living room need new carpeting. In addition, all of the walls need to be painted. As for the hot tub, it's in pretty good shape but the outside needs to be stained and sealed and the inside needs filled up and sanitized to make sure it's ready for your house warming party!

Using the information below, find out how much your remodel is going to cost. Please show all of your computations and do a floor plan in a scaled drawing.
