George Orwell Collection George Orwell,2024-01-18 This Excellent Collection brings together Orwell s longer major books and a fine selection of shorter pieces With great originality and wit Orwell unfolds his views on subjects ranging from a revaluation of Charles Dickens to the nature of Socialism from a comic yet profound discussion of naughty seaside postcards to a spirited defence of English cooking Displaying an almost unrivalled mastery of English plain prose Orwell s Books created a unique literary manner from the process of thinking aloud and continue to challenge move and entertain This Books created and collected in George Orwell s Most important Works illuminate the life and work of one of the most individual writers of the XX century a man who elevated political writing to an art This Collection included 1984 ANIMAL FARM A CLERGYMAN S DAUGHTER BURMESE DAYS COMING UP FOR AIR DOWN AND OUT IN PARIS AND LONDON HOMAGE TO CATALONIA KEEP THE ASPIDISTRA FLYING LOOKING BACK ON THE SPANISH WAR THE LION AND THE UNICORN THE ROAD TO WIGAN PIER **Animal Farm** George Orwell,2023-11-24 **Looking Back on the Spanish War** George Orwell,2023-11-27 First of all the physical memories The sounds the smells and the surfaces of things It is curious that more vividly than anything that came afterwards in the Spanish war I remember the week of so called training that we received before being sent to the front the huge cavalry barracks in Barcelona with its draughty stables and cobbled yards the icy cold of the pump where one washed the filthy meals made tolerable by pannikins of wine the Trousered militia women chopping firewood and the roll call in the early mornings where my prosaic English name made a sort of comic interlude among the resounding Spanish ones Manuel Gonzalez Pedro Aguilar Ramon Fenellosa Roque Ballaster Jaime Domenech Sebastian Viltron Ramon Nuvo Bosch I name those particular men because I remember the faces of all of them Except for two who were mere riff raff and have doubtless become good Falangists by this time it is probable that all of them are dead Two of them I know to be dead The eldest would have been about twenty five the youngest sixteen One of the essential experiences of war is never being able to escape from disgusting smells of human origin Latrines are an overworked subject in war literature and I would not mention them if it were not that the latrine in our barracks did its necessary bit towards puncturing my own illusions about the Spanish civil war The Latin type of latrine at which you have to squat is bad enough at its best but these were made of some kind of polished stone so slippery that it was all you could do to keep on your feet In addition they were always blocked Now I have plenty of other disgusting things in my memory but I believe it was these latrines that first brought home to me the thought so often to recur Here we are soldiers of a revolutionary army defending Democracy against Fascism fighting a war which is about something and the detail of our lives is just as sordid and degrading as it could be in prison let alone in a bourgeois army Many other things reinforced this impression later for instance the boredom and animal hunger of trench life the squalid intrigues over scraps of food the mean nagging quarrels which people exhausted by lack of sleep indulge in ANIMAL FARM - Orwell George Orwell,2020-06-18 George Orwell

was a novelist essayist and critic best known for his novels *Animal Farm* and *Nineteen Eighty Four*. He was a man of strong opinions who addressed some of the major political movements of his times including imperialism fascism and communism. *Animal Farm* was published in 1945 when Orwell a democratic socialist was angered at Joseph Stalin for betraying the ideas of the Russian Revolution. In fact that is the basis of Orwell's book. The characters in *Animal Farm* resemble significant people that impacted the Russian Revolution. These characters act similarly to the real people and actions that were done in the past. Through this book George Orwell exposes Stalin's true nature and evils using a corrupt pig named Napoleon that eventually dictates the farm. *Animal Farm* is one of the most influential political texts ever written. **Wifedom** Anna

Funder, 2025-02-25 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR WOMEN'S PRIZE FOR NON FICTION FINALIST. This is the story of the marriage behind some of the most famous literary works of the 20th century and a probing consideration of what it means to be a wife and a writer in the modern world. Simply a masterpiece Funder not only re makes the art of biography she resurrects a woman in full Geraldine Brooks winner of the Pulitzer Prize author of *Horse At the end of summer*. 2017 Anna Funder found herself at a moment of peak overload. Family obligations and household responsibilities were crushing her soul and taking her away from her writing deadlines. She needed help and George Orwell came to her rescue. I've always loved Orwell Funder writes his self deprecating humour his laser vision about how power works and who it works on. So after rereading and savoring books Orwell had written she devoured six major biographies tracing his life and work. But then she read about his forgotten wife and it was a revelation. Eileen O Shaughnessy married Orwell in 1936. O Shaughnessy was a writer herself and her literary brilliance not only shaped Orwell's work but her practical common sense saved his life. But why and how Funder wondered was she written out of their story. Using newly discovered letters from Eileen to her best friend Funder re creates the Orwells marriage through the Spanish Civil War and the Second World War in London. As she peeks behind the curtain of Orwell's private life she is led to question what it takes to be a writer and what it is to be a wife. A breathtakingly intimate view of one of the most important literary marriages of the twentieth century. *Wifedom* speaks to our present moment as much as it illuminates the past. Genre bending and utterly original it is an ode to the unsung work of women everywhere. *The Collected Non-Fiction* George Orwell, 2017-03-09. The twelve edited volumes of Orwell's non fiction collected for the first time in one invaluable ebook. A rich treasure trove of material this unique collection includes Orwell's reviews broadcasts notebooks wartime diaries articles on socialism and censorship correspondence with luminaries such as Arthur Koestler Anthony Powell and Evelyn Waugh and famous essays such as *Politics and the English Language* *Why I Write* and *Some Thoughts on the Common Toad*. Animal Farm George Orwell, 2021-04-19 Animal Farm is an allegorical novella by George Orwell first published in England on 17 August 1945 The book tells the story of a group of farm animals who rebel against their human farmer hoping to create a society where the animals can be equal free and happy Ultimately however the rebellion is betrayed and the farm ends up in a state as bad as it was before under the dictatorship of a pig named Napoleon According to Orwell the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union Orwell a democratic socialist was a critic of Joseph Stalin and hostile to Moscow directed Stalinism an attitude that was critically shaped by his experiences during the Spanish Civil War The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials

and executions In a letter to Yvonne Davet Orwell described Animal Farm as a satirical tale against Stalin un conte satirique contre Staline and in his essay Why I Write 1946 wrote that Animal Farm was the first book in which he tried with full consciousness of what he was doing to fuse political purpose and artistic purpose into one whole The original title was Animal Farm A Fairy Story but U S publishers dropped the subtitle when it was published in 1946 and only one of the translations during Orwell s lifetime kept it Other titular variations include subtitles like A Satire and A Contemporary Satire Orwell suggested the title Union des r publiques socialistes animales for the French translation which abbreviates to URSA the Latin word for bear a symbol of Russia It also played on the French name of the Soviet Union Union des r publiques socialistes sovi tiques Orwell wrote the book between November 1943 and February 1944 when the United Kingdom was in its wartime alliance with the Soviet Union against Nazi Germany and the British intelligentsia held Stalin in high esteem a phenomenon Orwell hated The manuscript was initially rejected by a number of British and American publishers including one of Orwell s own Victor Gollancz which delayed its publication It became a great commercial success when it did appear partly because international relations were transformed as the wartime alliance gave way to the Cold War Time magazine chose the book as one of the 100 best English language novels 1923 to 2005 it also featured at number 31 on the Modern Library List of Best 20th Century Novels and number 46 on the BBC s The Big Read poll It won a Retrospective Hugo Award in 1996 and is included in the Great Books of the Western World selection
