Cultural Encyclopedia of the Penis Michael Kimmel, Christine Milrod, Amanda Kennedy, 2014-09-26 Peter Pecker Wiener
Dick Schlong Penis Whatever we choose to call it the penis is more than just a body part This A to Z encyclopedia explores the cultural meanings interpretations and activities associated with the penis over the centuries and across cultures Scholars activists researchers and clinicians delve into the penis in antiquity in art in religion in politics in media in music and in the cultural imagination They examine the penis as a problem a fetishized commodity a weapon an object of play Penile d cor and fashions from piercings to koteka are treated with equal dignity Explanation of common medical terms and not so common subcultural practices add to the broad scope of the book Taken together the Cultural Encyclopedia of the Penis offers refreshing thoughtful and wide ranging insight into this malleable meaningful body part **The Erotic Whitman** Vivian R. Pollak, 2000-08-04 Absorbing and incisive The Erotic Whitman makes an important contribution not only to our understanding of the dynamics of nineteenth century literary history but also more generally to American studies and gender studies in particular to the increasingly lively study of the subject now called masculinities Sandra Gilbert author of *Wrongful Death A Medical Tragedy* and with Susan Gubar of *The Madwoman in the Attic* The Erotic Whitman moves skillfully between Whitman s use of the sexualized body and his dreams for the body politic drawing on Whitman s biography to provide newly informed illuminating readings of his work This work should place Pollak solidly alongside other elite Whitman scholars such as Michael Moon M Jimmie Killingsworth and Betsy Erkkila Emory Elliott Distinguished Professor of English University of California Riverside This is an incisive venturesome carefully argued contribution to an often discussed but still insufficiently understood dimension of Whitman s life writing and significance its biographical historical bases its aesthetics its cultural political implications One may at certain points dispute but at no point fail to respect Pollak s thoughtful unfolding of her subject from Whitman s early family life to the myth of democratic maternalism in his later poetry Lawrence Buell author of *The Environmental Imagination Thoreau Nature Writing and the Formation of American Culture* This is an imaginative and sensitive book about the profoundly personal sources of Whitman s poetry in his relations with his family and his male lovers Through illuminating readings of Whitman s early fiction his various editions of *Leaves of Grass* and *Democratic Vistas* Pollak argues that Whitman s democratic and homoerotic dream vision is frequently at odds with the realities of his life as son brother and lover Pollak s scholarship is impressive and massive and she brings new insights to bear on many dimensions of Whitman s life and writing She is particularly attentive to the place and plight of women in Whitman s work Her book will be widely read and appreciated especially by Whitman scholars and others interested in the psychosexual and biographical sources of art Betsy Erkkila author of *Whitman the Political Poet* [Intimacy on the Internet](#) Lauren Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative

television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy

Sex Pots Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women and many women reduced the politics of men's power to questions about sexuality By the 1980s these questions had become more and more focused on the issue of pornography now a metaphor for the menace of male power Collapsing feminist politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists but made it harder to think clearly about either sexuality or pornography indeed about feminist politics more generally This provocative collection by well known feminists surveys these arguments and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography

Sass J Finley, 2024-08-13 Black women comedians are more visible than ever performing around the world in physical venues like comedy clubs and festivals along with appearing in films streaming specials and online videos Across these mediums humor and particularly sass functions as a tool for Black women to articulate and redress cultural social and political marginalization J Finley theorizes sass as a new critical lens to better understand the power of Black women s humor and humanity and explores how sass functions as a powerful resource in Black women s expressive repertoire Challenging mainstream assumptions about sassiness as an identity or personality trait to which Black women humorists may be reduced Finley deploys sass to create a new genre of

discourse for understanding the ways in which Black women use language style gesture and intent to produce meaning often humorous in speaking back to authority Grounded in an ethnographic approach to Black women s experiences Finley conducted extensive interviews as well as participant observation as a critic audience member and comic herself to collect and honor the stories that Black women comics tell about themselves Interdisciplinary and conceptually rigorous Finley s work shows us how we can and should read Black women s expressions of sass in humor as attempts at social transformation that involve a fundamental critique of power and authority and a gesture at collective liberation [DK Tokyo](#) DK Travel,2023-02-28 Visit a sprawling metropolis where the past and future collide Whether you want to sample classic cuisine glimpse ground breaking contemporary art or take an unforgettable trip to Mount Fuji your DK Eyewitness travel guide makes sure you experience all that Tokyo has to offer A city that blends tradition seamlessly with the ultra modern Tokyo promises serene shrines and peaceful zen gardens one minute and futuristic skyscrapers rowdy karaoke bars and neon lit arcades the next Our newly updated 2023 guide brings the Japanese capital to life transporting you there like no other travel guide does with expert led insights and advice detailed breakdowns of all the must see sights photographs on practically every page and our hand drawn illustrations which place you inside the city s iconic buildings and neighborhoods DK Eyewitness Tokyo is your ticket to the trip of a lifetime Inside DK Eyewitness Tokyo you will find A fully illustrated top experiences guide our expert pick of Tokyo s must sees and hidden gems Accessible itineraries to make the most out of each and every day Expert advice honest recommendations for getting around safely when to visit each sight what to do before you visit and how to save time and money Color coded chapters to every part of Tokyo from Shibuya to Shinjuku Roppongi to Harajuku Practical tips the best places to eat drink shop and stay Detailed maps and walks to help you navigate the region country easily and confidently Covers Central Tokyo Northern Tokyo Western Tokyo Beyond the Centre Touring the country Try our DK Eyewitness Japan Want the best of Tokyo in your pocket Take our DK Eyewitness Top 10 Tokyo About DK Eyewitness At DK Eyewitness we believe in the power of discovery We make it easy for you to explore your dream destinations DK Eyewitness travel guides have been helping travelers to make the most of their breaks since 1993 Filled with expert advice striking photography and detailed illustrations our highly visual DK Eyewitness guides will get you closer to your next adventure We publish guides to more than 200 destinations from pocket sized city guides to comprehensive country guides Named Top Guidebook Series at the 2020 Wanderlust Reader Travel Awards we know that wherever you go next your DK Eyewitness travel guides are the perfect companion *Joy of the Worm* Drew Daniel,2022-05-02 Consulting an extensive archive of early modern literature Joy of the Worm asserts that voluntary death in literature is not always a matter of tragedy In this study Drew Daniel identifies a surprisingly common aesthetic attitude that he calls joy of the worm after Cleopatra s embrace of the deadly asp in Shakespeare s play a pattern where voluntary death is imagined as an occasion for humor mirth ecstatic pleasure even joy and celebration Daniel draws both a historical and a conceptual distinction between

self killing and suicide Standard intellectual histories of suicide in the early modern period have understandably emphasized attitudes of abhorrence scorn and severity toward voluntary death Daniel reads an archive of literary scenes and passages dating from 1534 to 1713 that complicate this picture In their own distinct responses to the surrounding attitude of censure writers including Shakespeare Donne Milton and Addison imagine death not as sin or sickness but instead as a heroic gift sexual release elemental return amorous fusion or political self rescue Joy of the worm emerges here as an aesthetic mode that shades into schadenfreude sadistic cruelty and deliberate trolling but can also underwrite powerful feelings of belonging devotion and love Library of Congress Subject Headings Library of Congress.
