unravels her mother's highly edited persona and her father's loving but distant personality Davis remains steadfast in her artistic expression as she melds irony comedy and tragedy with dreamlike memories of an ever present past Dear Mom and Dad with its account of her father's Alzheimer's and her mother's end of life struggles becomes an account of forgiveness reaching levels of redemption rarely found in contemporary memoirs *Granger's Index to Poetry*, 1982 Lists titles and first lines of thousands of poems and includes author and subject indexes Taking Our Place in History Girls Write Now, 2021-06-02 The award winning annual anthology from New York City's first and only writing and mentoring organization for girls and gender expansive teens What is it like growing up in New York City as a teen in 2020 This book invites you into their homes and families their schools and neighborhoods their hearts hopes and fears Enter a world where clay creatures take on aluminum oppressors Get thrown against an elevator wall in the midst of a horror story Go backstage with a rock band say goodbye to relatives as you start a new life stand with an engineer solving a coding problem Experience tragedy in a mosque feel the wounds of slavery know the terror of glass shattering in a World War II village and see how this next generation of leaders looks to the past and writes a better future for us all For more than two decades the nationally award winning nonprofit Girls Write Now has broken down the barriers of gender race age and poverty elevating the voices of writers who are too often not heard or worse silenced With mentors by their sides the girls and gender nonconforming youth tackle climate change racism sexism rejection immigration and friendship and take their place in history This book is their testament The written word has often been the only outlet for women and girls to express their authentic stories and unique voices in so many societies across the globe Girls Write Now harnesses that power nurtures it and amplifies it so that these singular voices can become generations Robin Thede creator writer executive producer and star of A Black Lady Sketch Show **The Young Prince and His Fate** Jessica Wheeler, 2022-10-26 The Young Prince and His Fate Trapped in Time By Jessica Wheeler This book continues the story of Ranvir who is now married and with a child on the way A tragic event makes him want to travel back in time He ends up being trapped in time in a whole different world of what could've been His journey is to get back to his own world before it's too late What makes the story interesting is seeing Ranvir's journey of trying to get back He's still learning that actions come with consequences We finally see him start to realize that when he knows that he could possibly lose everything What makes the message relevant is to not let fear get in the way of anything and everyone has it good until it's gone This is a lesson that Ranvir has to learn What makes this book unique is that it's inspired by the author's life in some ways To say anymore would be a spoiler all the author's ideas for the sequel were based off events that happened to her except the part of going back in time One thing the author wants the readers to gain out of the story is to cherish every moment with your loved ones as tomorrow is never promised *Cases on Emotionally Responsive Teaching and Mentoring* Ellsworth, Ann M., 2020-03-27 Educators who work with pre service teachers understand the significant role they play in mentoring the next generation of teachers Those who have walked the talk and

A. Redmond,2016-07-15 This is a work of fiction inspired by what people experienced During the Second World War American men are away fighting and horrendous battle casualties are reported every day The war years are stressful and depressing for everyone as the cruel fighting continues on and on The Maxwell family in Detroit Michigan experience a Christmas of both excitement and tragedy They hope for a respite from the war and extend invitations to two Royal Air Force navigators training in nearby Ontario Canada to join them for Christmas in 1943 The young Englishmen are polite and appreciative and they accept with enthusiasm All is well until one of them soon begins a torrid love affair with the Maxwells restless married sister in law Things go from bad to worse when more serious trouble follows The Englishmen return to fighting the war in Europe leaving memories and heartbreak behind What follows is startling as the sorrow of a doomed wartime romance lingers for lifetimes afterward The lives of everyone involved are forever changed in many ways in each changing place      **Peculiar Treasures** Tamara Lee,2010-11 I was determined to protect this baby and I was angry at everyone that wanted to harm it I didn t want it and prayed for a miscarriage but I wasn t going to kill it However the first time I felt the baby move I loved the child within me My prayer changed simply to O God help us When Tamara Lee becomes pregnant after being raped by her ex boyfriend she feels abandoned and lost Some people encourage her to have an abortion and others refuse to believe it was rape In the face of judgment and heartbreak Tamara becomes angry and rebellious She quickly learns that this attitude will not help her handle the pressures of life Only by turning to God can she find the grace mercy and forgiveness that she longs to receive Throughout Tamara s life she meets trial after trial with faith in God s guidance As she searches for a lifelong romantic relationship and a strong church community she learns that only by listening for God s voice can she hope to make the right decisions Like a diamond in the rough her life is a perfect example of how God creates Peculiar Treasures out of difficult lives      The River and the Railroad David Menary,2007      This Is Home Lisa Duffy,2019-06-11 From the author of book club favorite The Salt House comes a deeply affecting novel about a teenage girl finding her voice and the military wife who moves in downstairs united in their search for the true meaning of home Sixteen year old Libby Winters lives in Paradise a seaside town north of Boston that

rarely lives up to its name After the death of her mother she lives with her father Bent in the middle apartment of their triple decker home Bent s two sisters Lucy and Desiree live on the top floor A former soldier turned policeman Bent often works nights leaving Libby under her aunts care Shuffling back and forth between apartments and the wildly different natures of her family has Libby wishing for nothing more than a home of her very own Quinn Ellis is at a crossroads When her husband John who has served two tours in Iraq goes missing back at home suffering from PTSD he refuses to address Quinn finds herself living in the first floor apartment of the Winters house Bent had served as her husband s former platoon leader a man John refers to as his brother and despite Bent s efforts to make her feel welcome Quinn has yet to unpack a single box For Libby the new tenant downstairs is an unwelcome guest another body filling up her already crowded house But soon enough an unlikely friendship begins to blossom when Libby and Quinn stretch and redefine their definition of family and home With gorgeous prose and a cast of characters that feel wholly real and lovably flawed This Is Home is a nuanced and moving novel of finding where we belong
