Cruz,2012-10 A story of America is moving forward And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat America the Party of NO has a man who will insist to see your ID Birth Certificate but won t release his Tax Returns at the least 5 6 of them so the voting electorate will know how to trust him There are many perfectly legal ways for all weasels to get out of paying taxes Especially if you can afford armies of creative accountants to find them all In our own Country s Congressional Leaders there is Nothing but shameless lies and dishonor That explains what s going on here If election in November is to be decided on the several issues Robme the Romney and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years Even drifting into that realm risks reminding voters of Obama s clear advantage in leadership America Bush has been out of office for almost 4 years are YOU really going to continue to blame him This is what

the Republicans are saying Honestly if that s were the blame lies absolutely It wouldn t matter even if it s been 100 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions America This book is a Timeline of George W Bush s UNMITIGATED DISASTER that has become President OBAMA S inherited MESS Let him fix it for all of America Louis D Cruz **The Ten Year War** Jonathan Cohn,2021-02-23 Jonathan Cohn s The Ten Year War is the definitive account of the battle over Obamacare based on interviews with sources who were in the room from one of the nation s foremost healthcare journalists The Affordable Care Act better known as Obamacare was the most sweeping and consequential piece of legislation of the last half century It has touched nearly every American in one way or another for better or worse and become the defining political fight of our time In The Ten Year War veteran journalist Jonathan Cohn offers the compelling authoritative history of how the law came to be why it looks like it does and what it s meant for average Americans Drawn from hundreds of hours of interviews plus private diaries emails and memos The Ten Year War takes readers to Capitol Hill and to town hall meetings inside the West Wing and eventually into Trump Tower as the nation s most powerful leaders try to reconcile pragmatism and idealism self interest and the public good and ultimately two very different visions for what the country should look like At the heart of the book is the decades old argument over what s wrong with American health care and how to fix it But the battle over healthcare was always about more than policy The Ten Year War offers a deeper examination of how our governing institutions the media and the two parties have evolved and the dysfunction those changes have left in their wake **The Wall Street Journal** ,2009 *The Nation* ,2006 **Congressional Record Index** ,1962 Includes history of bills and resolutions *The Official Washington Post Index* ,1990 **Congressional Record** United States.
