The TurnAround ToolKit Lynn Winters, Joan Herman, 2011 Lynn Winters and Joan Herman's The Turnaround Toolkit is written for school leaders who are focused on transforming instruction and who may be working under significant time constraints to reverse declining student achievement or public perceptions of school failure Based on the evidence that simply implementing continuous improvement is not enough to close the achievement gap The Turnaround Toolkit provides a nine step formative evaluation program designed to achieve an immediate and consistent focus on improving instruction in order to bolster student achievement In a straightforward and accessible fashion Herman and Winters explain three overarching Turnaround Tasks that frame these steps and the necessary and sometimes drastic actions that must be taken by school leaders as they use data to strategically choose implement monitor and revise school interventions A dedicated online toolkit offers numerous worksheets and templates that support each stage of the process and help school leaders scaffold the work of educators to put an aggressive turnaround plan into action while a leadership guide at the end of the book provides guidance to turnaround teams and facilitators

Prioritizing the Common Core Larry Ainsworth, 2013 The consensus among educators nationwide is that in depth instruction paired with focused assessment of essential concepts and skills are far more effective than superficially covering every concept and skill in the standards Educators are faced with the task of teaching all standards while meeting the extraordinary range of student learning needs Prioritizing the Common Core offers common sense solutions to the dilemmas teachers face today in implementing the new more rigorous national standards Chapters present a rationale for prioritizing the Common Core a step by step process for prioritizing standards in language arts and mathematics strategies for soliciting feedback and input from everyone in the district or school prior to the final determination of the Priority Standards and detailed summaries of the process schools in six different districts used to identify their Priority Standards with
