Theological Ethics in a Neoliberal Age Kevin Hargaden, 2018-10-31 Throughout his ministry Jesus spoke frequently and unabashedly on the now taboo subject of money With nothing good to say to the rich the New Testament indeed the entire Bible is far from positive towards the topic of personal wealth And yet we all seek material prosperity and comfort How are Christians to square the words of their savior with the balances of their bank accounts or more accurately with their unquenchable desire for financial security While the church has developed diverse responses to the problems of poverty it is often silent on what seems almost as straightforward a biblical principle that wealth too is a problem By considering the particular context of the recent economic history of Ireland this book explores how the parables of Jesus can be the key to unlocking what it might mean to follow Christ as wealthy people without diluting our dilemma or denying the tension Through an engagement with contemporary economic and political thought aided by the work of Karl Barth and William T Cavanaugh this book represents a unique and innovative intervention to a discussion that applies to every Christian in the Western world

Kearns,2014-10-03 Garda and guardian Protector and punisher This is Lugs Branigan the man the legend The story of Lugs Branigan is a tale that is long overdue It is a story of extraordinary courage and compassion a story of heroism and altruism a story of crime punishment and redemption The legend of Lugs s career as Ireland s most famous garda police officer founded on his physical strength and the manner in which he faced up to the criminal gangs of Dublin over the course of fifty years is part of Dublin s folk history In The Legendary Lugs Branigan bestselling historian Kevin C Kearns presents a revealing and unvarnished portrait of the man and his life authenticated by the oral testimony of family members friends and Garda mates who stood with him through the most harrowing and poignant experiences Born in the Liberties of Dublin in 1910 Jim Branigan was by his own admission a shy scrawny sissy as a lad Cruelly beaten by bullies in the railway yard where he worked during his teens he refused to fight back Yet he went on to become a heavyweight boxing champion and to earn the undisputed reputation as the country s toughest and bravest garda Chief Superintendent Edmund Doherty proclaimed him one of those people who become a legend in his own time As a garda he refused to carry a baton relying upon his fists He took on the vicious animal gangs of the 1930s and 40s and in the Battle of Baldoyle broke their reign of terror In the 1950s he quelled the wild rock and roll riots and tamed the ruffian Teddy boys with their flick knives All the while he was dealing with Dublin s full array of gurriers and criminals As a devotee of American Western films and books Branigan emulated the

sheriffs by doling out his unique showdown brand of summary justice to hooligans and thugs on the street In the 1960s his riot squad with its Garda posse patrolled Dublin s roughest districts in their black Maria They contended with the most dangerous rows and riots in the streets dancehalls and pubs The cry Lugs is here could instantly scatter a disorderly crowd Ironically for all his fame as a tough fearless garda he was most beloved for his humanity and compassion His role as guardian of the battered women of the tenements and as protector and father figure of the city s piteous prostitutes or pavement hostesses as he called them was unrecorded in the press and hushed up by the Garda brass Yet Garda John Collins vouches Women oh he was God to them Upon retirement he entered his old gunfighter years ageing and vulnerable he became a target for old foes bent on revenge and for young guns seeking a quick reputation A man with a reputation powerful enough to echo through generations of Dubliners the legendary Lugs Branigan finally has a book worthy of his story
