Operate a Financially Successful Personal and Executive Coaching Business Kristie Lorette, John N. Peragine (Jr.), 2011 In the United States the average professional coach makes roughly 150 to 200 per hour It is not uncommon for a seasoned coach to make well over 100 000 per year If you are good at motivating and inspiring people a coaching business might be a great choice for you As a professional coach you will recognize and define your clients goals construct a realistic strategy for achieving your goals establish a detailed program of actions and activities identify manage and change business improvements get effective and timely results monitor your progress and build on your successes achieve what might seem impossible and get the rewards and recognition you deserve If you are investigating opportunities in this type of business you should begin by reading this book If you enjoy working With people this might be the perfect business for you Keep in mind that this business looks easy but as with any business looks can be deceiving This complete manual Will arm you with everything you need including sample business forms contracts worksheets and checklists for planning opening and running day to day operations assistance with setting up your office plans and layouts and dozens of other valuable timesaving tools of the trade that no business should be without You will learn how to set up computer systems to save time and money meet IRS requirements generate high profile public relations and publicity and implement low cost internal marketing ideas You will learn how to build your business by using low and no cost ways to satisfy customers as Well as ways to increase sales and have customers refer others to you *How To Become A Life Coach, How To Be Highly Successful As A Life Coach, And How To Earn Revenue As A Life Coach* Dr. Harrison Sachs, 2019-12-15 This essay sheds light on how to become a life coach explicates how to be highly successful as a life coach and elucidates how to earn revenue as a life coach While becoming a life coach may seem be an eminently cumbersome expensive time consuming and daunting undertaking it is viably possible to become a life coach Much to the relief of prospective life coaches it is possible to become a life coach in a time span of less than half of a decade and the journey to become a life coach is not as lengthy as the journey to pursue certain other occupations such as the occupations of a medical doctor or attorney The pathway that a prospective life coach can follow to become a life coach is fraught with challenges that are not a cinch to surmount It can be arduous to fulfill the duties of a life coach Life coach skills are highly desirable skills to possess As of December of 2019 only an infinitesimal fraction of one percent of the global population are employed as life coaches In the US for instance less than 43 000 work as life coaches even though the US population is comprised of over 328 000 000 people as of December of 2019 As of December of 2019 less than 0013% of people in the US work as life coaches This means that out of 7 628 random people in the US about only one person at most works as a life coach as of December of 2019 As of December of 2019 it was estimated that there were more medical doctors and attorneys in the US than life coaches even though it takes far more years to fulfill the ample mandatory requirements to become a medical doctor or attorney than it takes to fulfill the mandatory requirements to become a life coach As of December of 2019 there are no mandatory requirements that need to be fulfilled for a person to become a life

coach As of December of 2019 the economy is unequivocally in dire need of more life coaches especially since there are a multitude of ways in which most people can ameliorate their lives Life coaches can help their clients to rectify issues that are transpiring in their lives Life coaches can help their clients to remedy rectifiable career issues rectifiable interpersonal relationship issues rectifiable academic issues and rectifiable wellness issues A person can ameliorate his quality of life if it is devoid of career issues interpersonal relationship issues academic issues and wellness issues Life coaches can provide guidance on the measures to implement so that their clients can resolve rectifiable issues in their lives Life coaches can also provide guidance on the disparate measures to implement that are conducive to attaining career success so that their clients are all the more aptly primed to have lucrative careers Life coaches can also provide guidance on the disparate measures to implement that are conducive to bolstering interpersonal relationships so that the interpersonal relationships of their clients are inapt to become tenuous interpersonal relationships shortly after being formed Life coaches can also provide guidance on the disparate measures to implement that are conducive to significantly boosting a person's well being so that their clients are all the more apt to experience jubilation When people are able to experience unalloyed euphoria then they become less prone to profusely brooding over unresolved issues that they are encountering in their lives People should strive to metaphorically thrust their lives into an upward trajectory Life coaches can also help their clients to reach their short term objectives and attain their overarching goals People should aim to self improve themselves and actualize their latent potential People should aim to become highly knowledgeable highly competent and highly adept industry experts in their niche field of expertise Life coaches can help their clients to achieve their higher aspirations It is less cumbersome for a person to achieve his higher aspirations in his lifetime if he has attained profound career success to the extent to which it has culminated in him earning enough fiat currency amid his working years to be able to afford to attempt to achieve his higher aspirations which can be eminently expensive to be pursuant of Life coaches can help their clients to make inroads towards improving multiple facets of their lives A person's life does not need to be characterized by stagnation since a person is at liberty to attempt to improve multiple aspects of life if he chooses to do so **Be Hopeful, Be Strong, Be Brave, Be**
