Postcards showcases over three hundred vintage postcard images of the city printed in glorious color From popular tourist  
attractions restaurants and grand hotels to local businesses banks churches neighborhoods civic buildings and parks the  
book not only celebrates these cards visual beauty but also considers their historic value After providing an overview of the  
history of postcards in New Orleans Matthew Griffis expertly arranges and describes the postcards by subject or theme  
Focusing on the period from 1900 to 1920 the book is the first to offer information about the cards many publishers More  
than a century ago people sent postcards like we make phone calls today Many also collected postcards even trading them in  
groups or clubs Adorned with colorized views of urban and rural landscapes postcards offered people a chance to own  
images of places they lived visited or merely dreamed of visiting Today these relics remain one of the richest visual records of  
the last century as they offer a glimpse at the ways a city represented itself They now appear regularly in art exhibits blogs  
and research collections Many of the cards in this book have not been widely seen in well over a century and many of the  
places and traditions they depict have long since vanished *USPTO Image File Wrapper Petition Decisions 0214* ,
