Humanity S Saving Grace:

Humanity's Saving Grace Alex Binkley,2014-02 Having barely avoided self destruction an ancient race has expanded to eight other worlds While the Beings explored Earth numerous times during two centuries with their flying saucers they didn't consider the primitive Terrans worth contacting That changes when their worlds came under attack from a relentless mysterious foe The aliens offer to repair Earth's ravaged environment in exchange for pilots and soldiers to fight their foe The First Earth Expeditionary Force battles in space and on the ground while trying to comprehend how thousands of humans had been conscripted into fighting for the enemy Equally puzzling for FEEF is figuring out the motives of robot like creatures that serve the aliens and discovering the origin of centuries old ruins on several planets and a seemingly uninhabited community under a protective dome

Augustine and Politics John Doody, Kevin L. [The Judgment of Love](#) James M. Matarazzo Jr, 2018-10-19 This book seeks to explore the concept of divine judgment in Christian eschatology It contends that this judgment is salvific rather than destructive This notion can be described aphoristically as iudicandus est salvandus to be judged is to be saved The provocation to Christian eschatology is that human beings are not saved from judgment but are saved within it The exploration begins defining the context and moves into a review of the symbols and problems of judgment through a reappraisal of De novissimis concerning the last things the last section found in traditional works of Christian dogmatics This is followed by a critical engagement with the soteriological optimism posited by four twentieth and twenty first century theologians Sergei Bulgakov Hans Urs von

Balthasar J A T Robinson and Marilyn McCord Adams The event of the judgment is then defined as the event of absolute recognition that it is within the eschatic recognition of God the self and the other that transformation and glorification of human persons occur in a way that avoids a dual outcome of salvation and damnation The book concludes by proposing that we may approach divine judgment with faith hope and love not only for ourselves but for the human race as a whole **The Christian Science Journal** ,1919 *Ethics with Barth: God, Metaphysics and Morals* Matthew Rose,2016-05-23 Although interest in the theology of Karl Barth is greater today than at any time since his death Barth s moral thought continues to be widely misunderstood This groundbreaking study of the twentieth century s most important Christian thinker offers the first treatment of Barth s ethics from a Roman Catholic perspective Focusing particularly on Barth s ethics of creation in the Church Dogmatics Rose reclaims Barth from a number of misinterpretations and presents Barth s account of the good life within his distinctively Christian metaphysics Among the most provocative of Rose s claims is that Barth sees the Christian life as guided by reason and nature an interpretation that finds Barth in conversation with ancient and medieval ethical theories about the nature of human happiness A significant contribution to Barth studies and current debates in contemporary Christian theology *Ethics with Barth* sheds valuable light on the connection between metaphysics and ethics the trinitarian dimensions of Christian moral thought the nature of the divine good the role of Christian philosophy Barth s conception of moral reasoning and his views on eudaimonism and the natural law **The Mestizo Augustine** Justo L. González,2016-11-06 Few thinkers have been as influential as Augustine of Hippo yet we easily forget he was a man of two cultures African and Greco Roman Cuban American historian and theologian Justo Gonz lez presents Augustine as a mestizo mixed theologian using the perspective of his own Latino heritage to find in the bishop of Hippo a remarkable resource for the church today **Broad Views** ,1904
