If the statement is not like you, circle the number in the *Not At All Like Me* column. There are no right or wrong answers.

The example below illustrates how one person responded to the first three items in the LSI. In a similar way, respond to each of the 60 statements in the inventory.

| 2. I maintain appropriate eye contact at all times. | 3 | ③ | 1 |
| 3. I am aware of the messages I send through my nonverbal behavior. | 3 | 1 | ① |

When you have responded to all statements in the inventory, move to Step 2.

STEP 2

Statements in the inventory are grouped into six color-coded sections so you can easily identify and explore how effectively you have developed and are using life skills in your personal life and professional career. Add the numbers you circled in each section to determine your total score for that
