

The background of the cover is a dark, textured charcoal grey. Overlaid on this are several intricate, glowing golden patterns. These patterns resemble complex fractals or quantum wave functions, with bright central points radiating outwards into delicate, lace-like structures. Some of these structures form long, sweeping arcs across the left side of the cover, while others are more compact and star-like, located towards the right and bottom. The overall effect is one of cosmic mystery and mathematical elegance.
