1. **Introduction:** In the introduction, you should introduce the topic of the essay, which is your favorite childhood memory. You can also provide a little background information about when the memory took place and how it has stayed with you over the years.
2. **Setting:** In the second paragraph, you should describe the setting of the memory. This could include the location, the time of year, and any other relevant details.
3. **Characters:** In the third paragraph, you should describe the people who were present during the memory. This could include friends, family, or any other significant figures.
4. **Events:** In the fourth paragraph, you should describe the events of the memory in detail. You should try to include as many sensory details as possible, such as sights, sounds, smells, and feelings.
5. **Reflection:** In the final paragraph, you should reflect on the memory and explain why it is so important to you. You can also talk about how the memory has shaped your life in some way, or how it has stayed with you over the years.

Overall, the goal of this assignment is for students to write a personal narrative about a favorite childhood memory. The essay should be well-organized and include sensory details to help the reader experience the memory along with the writer.
