The American Contractor, 1915 Swole Michael Andor Brodeur, 2024-05-28 From a Washington Post critic and self-described meathead a witty incisive poignant exploration of male body image from the history of the gym to the politics of superheroes to the world of manfluencers Michael Andor Brodeur is a Gen X gay writer with a passion for bodybuilding and an insatiable curiosity about masculinity a concept in which many men are currently struggling to find their place In our current moment where manfluencers on TikTok tease their audiences with their latest videos where right wing men espouse the importance of being alpha as toxic masculinity and the patriarchy are being rightfully criticized the nature of masculinity has become murkier than ever In excavating this complex topic Brodeur uses

the male body as his guide its role in cultures from the gymnasia of ancient Greece to Walt Whitman's essays on manly health from the rise of Muscular Christianity in 19th century America to the swollen superheroes and Arnold Schwarzeneggers of Brodeur's childhood Interweaving history cultural criticism memoir and reportage laced with an irrepressible wit Brodeur takes us into the unique culture centered around men's bodies probing its limitations and the promise beyond how men can love themselves while rejecting the aggression objectification and misogyny that have for so long accompanied the quest to become swole

Assessing Physical Fitness and Physical Activity in Population-based Surveys, 1989 *Resources in Education*, 1993 Equality and Liberty Kai Nielsen, 1985 Probably no issue is more confounding in the social policy arena or more closely argued among political philosophers than the question of the relationship between equality and liberty are they compatible in a just society In a systematic discussion that expands our understanding of what constitutes liberty equality and especially justice Professor Nielsen puts forth a vigorous defense of an uncompromising egalitarianism based on a commitment to the belief that the interests of everyone matter and matter equally Marshalling the most persistent arguments against egalitarianism the author presents accounts of Nietzschean elitism meritocracy and conservative libertarianism as well as various shades of egalitarianism and systematically responds to each opposing view Followers of contemporary debates will especially welcome Nielsen's searching critiques of the liberal egalitarianism of John Rawls and Ronald Dworkin and of the conservative libertarianism of Milton Friedman Frederick Hayek and particularly Robert Nozick
