TIME GOES BY Gordon Grindstaff, 2025-08-19. As Time Goes By is his fourth book and like the other three, this book is a collection of stories that first saw the light of day as the author's newspaper columns written weekly over the first 20 years of this century. This book contains selections of those stories written during the years 2012 through 2015 and the early pandemic years. You will find interesting observations on current events during those years as well as stories about the people, places and activities that populate his world, the kind of tales that make up life for ninety-nine percent of us. The topics range from what the cause of polio might have been to the first time Gordon ate cottage cheese. Did he like it? The answers as well as other mostly light-hearted topics are inside. Read along with Gordon as he gives us his take on what our lives are really like: sometimes humorous, sometimes thought-provoking, sometimes happy and once in a while incredibly sad. Join us for an enjoyable read. Thanks for stopping by Peace Gordon. **Business 2.0**, 2002
