Emotional Intelligence Explained Ryan Thant, 2018-05-18 What is EQ How does it compare to IQ How could I be more emotionally intelligent How can EQ improve my quality of life Why is EQ important The

truth is that a successful life is defined by the relationships we have. It isn't how wealthy, talented or intellectually gifted you are. These are all important, sure, but your ability to control your own emotions and recognize how others feel will take you much farther in life. If you have always yearned to understand people, gain confidence in yourself and enjoy better relationships, then you need to learn about emotional intelligence. There are a lot of people who wish to understand how to become more emotionally intelligent. I'm sure you do too, otherwise you wouldn't be interested in this book. The problem is that most of the information you find online barely scratches the surface when it comes to explaining what emotions are and how they work. It's difficult to find a book that unravels emotions while also showing you how to manage them in a simple, step-by-step way. This is why I have decided to take a different approach with this book. Not only do I delve into the roots of your emotions, I also provide you with clear steps that you can take to improve your emotional intelligence. I also take the time to show you how to manage the emotions of others. If you have always struggled to understand how emotions impact our present and future lives, then this book will provide you with the best answers to all your burning questions. The book begins with an in-depth analysis of emotions: what they are and why they are important. I also provide a detailed comparison of Intelligence Quotient (IQ) and Emotional Quotient (EQ). You will also learn about how to increase your EQ, enhance your self-perception and eliminate negative emotions. Everything you learn here will benefit your personal and professional relationships immensely. I have studied the science behind emotional intelligence for a few years now, and I can tell you that this is a fascinating subject. Before I began looking into it, I always assumed that developing my IQ would give me a better chance of success in life. But what I learned about emotional intelligence changed everything. Once I committed myself to improving my EQ, I began to realize that I could manage my emotions better, and I was able to read people's body language and facial expressions like a book. My relationships were transformed on so many levels, and suddenly I was much happier than I had ever been. When you begin to take action to become more emotionally intelligent, your mental, physical and emotional wellbeing will drastically improve. I can promise you that this book will help you build your confidence and revitalize your relationships. If you have been struggling to control your emotions or manage the emotions of people around you, then you need to grab this book. Don't wait any longer. Ignoring your emotions can cost you a lot. Learn how to tap into your feelings and become better at building and maintaining happy relationships. I can assure you that your life will never be the same again. In this book, you will learn:

- You and Your Emotions
- Understanding Emotional Intelligence
- Cognitive Intelligence Versus Emotional Intelligence
- Self-Perception and Emotional Intelligence
- How to Increase Your Emotional Quotient
- Forming Emotionally Intelligent Relationships
- And Much More

Are you ready? Then buy this book and start reading today. Success and happiness are waiting for you on the other side.
