## **Environmental Contexts And Disability Research In Social Science And Disability:**

*Environmental Contexts and Disability* Barbara Altman, Sharon N. Barnartt, 2014-11-07 This volume presents papers which address both individual and societal levels of environment in relation to disability and shed new light on the processes involved with creating or modifying these environmental supports or barriers *The Routledge International Handbook of Disability Human Rights Hierarchies* Stephen Meyers, Megan McCloskey, Gabor Petri, 2023-10-31 Disability is defined by hierarchy Regardless of culture or context persons with disabilities are almost always pushed to the bottom of the social hierarchy With the advent of the Convention on the Rights of Persons with Disabilities 2006 disability human rights seemingly provided a path forward for tearing down ableist social hierarchies and ensuring that all persons with disabilities everywhere were treated equally Despite important progress the disability human rights project not only remains incomplete but has often created new hierarchies among persons with disabilities themselves or across the human rights it promotes Certain groups of persons with disabilities have gained new voices while others remain silenced and certain rights are prioritized over others depending on what states international organizations or advocates want rather than what those on the ground need most This volume was inspired both by the continued need to expose human rights violations against persons with disabilities but to also explore the nuanced role that hierarchies play in the spread implementation and protection of disability human rights The enjoyment of human rights is not equal nor is the recognition of specific individuals and groups rights In order to change this situation inequalities across the disability human rights movement must be explored Divided into five parts Who counts as disabled Political social and cultural context Which rights on top whose rights on bottom Pushed to the periphery in the disability rights movement Representations of disability and comprised of 34 newly written chapters including case studies from the Anglophone Caribbean Bangladesh Bosnia Herzegovina China Ghana Haiti Hungary India Israel Kenya Latin America Poland Russia Scotland Serbia and South Africa and other countries this book will be of interest to all scholars and students of disability studies sociology human rights law and social policy **Sociology Looking at Disability** Sara E. Green, Sharon N. Barnartt, 2016-12-22 The purpose of this volume is to explore existing literature with an eye towards encouraging scholars not to ask the same old questions but to use older writings as a basis for revolutionary and evolutionary thinking What do the older writings tell us about what questions we should be asking and what research we should be doing today *Disability Human Rights Law* Anna Arstein-Kerslake, 2018-07-02 This book is a printed edition of the Special Issue Disability Human Rights Law that was published in Laws **Rural Disability and Community Participation** Catherine Ipsen, Jean P. Hall, John W. Lui, 2022-12-16 *Disability, Intersectional Agency, and Latinx Identity* Alexis Padilla, 2021-07-28 This interdisciplinary volume links disability and agency by exploring LatDisCrit's theory and activist emancipatory practice It uses the author's experiential and analytical views as a blind brown Latinx engaged scholar and activist from the global south living and struggling in the highly racialized global north context of the United States

LatDisCrit integrates critically LatCrit and DisCrit which look at the interplay of race ethnicity diasporic cultures historical sociopolitics and disability within multiple Latinx identities in mostly global north contexts while incorporating global south epistemologies Using intersectional analysis of key concepts through critical counterstories following critical race theory methodological traditions and engaging possible decoloniality treatments of material precarity and agency this book emphasizes intersectionality's complex underpinnings within and beyond Latinidades Through a careful interplay of disability identity and disability rights empowerment the volume opens avenues for intersectional solidarity and spaces for radical transformational learning This book will be of interest to all scholars and students working in disability studies intersectional disability justice activists critical Latinx Chicanx studies critical geographies intersectional political philosophy and political and public sociology Intersectional Colonialities Robel Afeworki Abay, Karen Soldatić, 2024-05-28 This book provides a rich synthesis of empirical research and theoretical engagements with questions of disability across different practices of colonialism as historically defined post de anti settler colonialism It synthesises critiques and expands the boundaries of existing disability research which has been undertaken within different colonial contexts through the rich examination of recent empirical work mapping across disability and its intersectional colonialities Filling an existing gap within the international literature through embedding the importance of grounding these within scholarly debates of colonialism it empirically demonstrates the significance of disability for the broader scholarly fields of postcolonial decolonial and intersectional theories It will be of interest to all scholars and students of disability studies sociology critical studies sociology of race and ethnic relations intersectionality postcolonial and decolonial studies and human geography

*Metanarratives of Disability* David Bolt, 2021-05-26 This book explores multiple metanarratives of disability to introduce and investigate the critical concept of assumed authority and the normative social order from which it derives The book comprises 15 chapters developed across three parts and informed by disability studies is authored by those with research interests in the condition on which they focus as well as direct or intimate experiential knowledge When out and about many disabled people know only too well what it is to be erroneously told the error of our ways by non disabled passers by assumed authority often cloaked in helpfulness Showing that assumed authority is underpinned by a displacement of personal narratives in favour of overarching metanarratives of disability that find currency in a diverse multiplicity of cultural representations ranging from literature to film television advertising social media comics art and music this work discusses how this relates to a range of disabilities and chronic conditions including blindness autism Down syndrome diabetes cancer and HIV and AIDS *Metanarratives of Disability* will be of interest to all scholars and students of disability studies medical sociology medical humanities education studies cultural studies and health offers a well structured accessible collection of disability narratives that foreground disabled voices *Journal of Literary and Cultural Disability Studies* 16 1 2022

The Top Books of the Year Environmental Contexts And Disability Research In Social Science And Disability The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Environmental Contexts And Disability Research In Social Science And Disability : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
