children to see God our Father as our Mentor for parenting and to enjoy the learning process on this journey of parenting This is more of a WHY to parent book rather than a how to parent book God in His infinite wisdom created families and revealed Himself to us as our Heavenly Father calling us His chosen and beloved children Sending Jesus as His only Son to show His love for us God weaves the parentchild metaphor throughout scripture to help us understand what it means to be created in His image and for His good purpose Do you ever wonder why God created families Psalm 68 6 states God sets the lonely in families First Timothy 5 8 emphasis added makes very clear the priority of parenting to our Heavenly Father If anyone does not provide for his relatives and especially for his immediate family he has denied the faith and is worse than an unbeliever Why does God bless us with His children to raise Because as parents we learn so much about ourselves and more importantly we learn so much about why God created us and placed us in families A devotional aspect is added to this book for those who want to use it as a personal devotional or in a parenting class setting *Teach Your Children Well* Sarah Cowan Johnson, 2022-08-02 How do we parent our kids in ways that lead to lasting faith Sarah Cowan Johnson unpacks how parents can have an active discipleship role in forming their children's faith Filled with exercises and activities for families to do together this handbook is an essential resource for discipling children with confidence and creativity **Ministering to Twenty-First Century Families** Dennis Rainey, 2001-06-11 There is nothing traditional about the typical family of the twenty first century and so it follows that ministering to today's families presents an assortment of new challenges Rainey believes that the resources needed by the church to confront and combat family problems do exist and Ministering to Twenty First Century Families is a user friendly guide to combating the destruction of the family unit Offering practical solutions and encouraging action Rainey calls for a roll up your sleeves approach to healing weary families **The One Year Fun and Active Devotions for Kids** Betsy Rosen Elliot, 2000 This children's devotional contains 365 lessons for families each beginning with real questions children have asked Questions are followed by answers that are supported by Bible verses Themes of the devotions include God the Bible right from wrong Heaven and angels money matters the world prayer friends and school
