Facing the Tank Patrick Gale, 2016-08-30 Bestselling author Patrick Gale's quirky and hilarious novel of English country life is a ridiculously crazy tour de force Publishers Weekly The town of Barrowcester pronounced Brewster is English as can be From its cozy little pubs to its immaculate cathedral close the quiet city seems straight out of the pages of Thomas Hardy For American academic Evan Kirby it's paradise a welcome escape from the United States where he was haunted by the grim memories of his brutal divorce A historian of angels and demons he has come to Barrowcester to explore the cathedral library But he will find there are no angels in this peculiar little village only demons lurking around every corner From the agnostic bishop and his cannabis cookie addicted mother to the sex mad cardinal and the schoolboy with a very unusual relationship with his spaniel every Barrower has a secret each more shocking than the last Evan came to bury himself in work but as redemption comes to Barrowcester one sinner at a time will he find love instead Inspired by Patrick Gale's own youth in England's ancient capital Facing the Tank is a loving satire of the absurdities at the heart of provincial life An homage to Anthony Trollope it is as sparkling a novel as Britain has produced in the last fifty years
