Fade To Black Alex Flinn:

Fade to Black Alex Flinn, 2005-04 An HIV positive high school student hospitalized after being attacked the bigot accused of the crime and the only witness a classmate with Down Syndrome reveal how the assault has changed their lives as they tell of its aftermath

Beastly Alex Flinn, 2009-12-29 A beast Not quite wolf or bear gorilla or dog but a horrible new creature who walks upright a creature with fangs and claws and hair springing from every pore I am a monster You think I m talking fairy tales No way The place is New York City The time is now It s no deformity no disease And I ll stay this way forever ruined unless I can break the spell Yes the spell the one the witch in my English class cast on me Why did she turn me into a beast who hides by day and prowls by night I ll tell you I ll tell you how I used to be Kyle Kingsbury the guy you wished you were with money perfect looks and the perfect life And then I ll tell you how I became perfectly beastly

HIV/AIDS in Young Adult Novels Melissa Gross, Annette Y. Goldsmith, Debi Carruth, 2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease s indiscriminate nature however the subject would soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In *HIV AIDS in Young Adult Novels An Annotated Bibliography* the authors address this gap by identifying and assessing the full range of young adult novels that include HIV AIDS content This resource is comprised of two major parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11-19 published since 1981 and featuring at least one character with HIV AIDS The second part is an annotated bibliography of the more than 90 novels identified for use in the study Each entry in the bibliography contains an annotation that summarizes the plot and how HIV AIDS is depicted in the story an indication of the accuracy of the HIV AIDS content a note on how central HIV AIDS is to the story and an evaluation of the literary quality of the book This work will assist readers in collecting choosing evaluating and using these works to educate readers about HIV AIDS

Queer Anxieties of Young Adult Literature and Culture Derriett Mason, 2020-12-28 Selected as the Children s Literature Association s 2023 Honor Book Young adult literature featuring LGBTQ characters is booming In the 1980s and 1990s only a handful of such titles were published every year Recently these numbers have soared to over one hundred annual releases Queer characters are also appearing more frequently in film on television and in video games This explosion of queer representation however has prompted new forms of longstanding cultural anxieties about adolescent sexuality What makes for a good coming out story Will increased queer representation in young people s media teach adolescents the right lessons and help queer teens live better happier lives What if these stories harm young people instead of helping them In *Queer Anxieties of Young Adult Literature and Culture* Derriett Mason considers these questions through a range of popular media including an assortment of young adult books

Caper in the Castro the first ever queer video game online fan communities and popular television series Glee and Big Mouth Mason argues themes that generate the most anxiety about adolescent culture queer visibility risk taking HIV AIDS dystopia and horror and the promise that It Gets Better and the threat that it might not challenge us to rethink how we read and engage with young people s media Instead of imagining queer young adult literature as a subgenre defined by its visibly queer characters Mason proposes that we see queer YA as a body of transmedia texts with blurry boundaries one that coheres around affect specifically anxiety instead of content

Radical Reads 2 Joni Richards Bodart,2009-11-25 In Radical Reads Joni Richards Bodart identified 101 young adult books that featured gritty complex plots focused on multidimensional characters and tackled such difficult subjects as teenage pregnancy dysfunctional families gangs prejudice violence drugs or other provocative issues Teen readers were drawn to such books because they could identify with both the characters and the situations depicted in these raw and edgy works of fiction In Radical Reads 2 Working with the Newest Edgy Titles for Teens Bodart continues where the first book left off examining more than a hundred titles published since the previous edition The books featured here are engaging and tough yet well written and accessible to readers For each novel Bodart lists the main characters major themes and subject areas and offers a brief summary Along with providing book report ideas she cites the strengths of each work excerpts important reviews and lists any awards the book has received Indexed by author title subject curriculum area reading level interest level and genre Radical Reads 2 is an indispensable tool for librarians teachers and parents alike and will appeal especially to teens looking for relevant and topical fiction

No More "Us" and "Them" Lesley Roessing,2012-06-07 It is imperative that teachers build community in their classrooms and across their academic teams and grades in order to make school a safe and supportive place for adolescents Teachers must help their students acknowledge that they belong to a group together that they are part of a we or us and that any differences divergent talents backgrounds experiences cultures and skills only make us stronger and better No More Us and Them delineates what steps educators can take to create an atmosphere where adolescent students feel accepted included and valuable to themselves and to their peers The goal of this book is to change adolescent attitudes to lead to not just acceptance and tolerance but toward an expansion of us and respect for their classmates that will serve to spread an even wider net of respect This book provides ideas for lessons and activities that can be integrated into existing curricula and that meet a variety of content area standards in language arts social studies science mathematics foreign languages physical education art and music while also proposing ideas for advisory or homeroom periods and class team and grade gatherings to build respect in our classrooms our schools and our communities
