Edward Evans, Margaret Zarnosky Saponaro, Holland Christie, Carol Sinwell, 2015-06-30 Covering every essential topic ranging from circulation and literacy instruction to reference and security this benchmark text provides an up-to-date broadly based view of library public service and its functions Supplying essential foundational reading for students of library public services as well as an up-to-date overview for practitioners who wish to refresh their knowledge or acquaint themselves with a new area of responsibility this book's broad and solid coverage will benefit anyone concerned with developing or maintaining the public face of the library A revision and expansion of Libraries Unlimited's Introduction to Library Public Services Seventh Edition this edition has new chapters covering such topics as e-resources collections print and other media and facilities and funding Additionally every chapter has been substantially updated and reorganized to better reflect the role of technology in library services today The

book begins with background information on public services in libraries and an analysis of the library's public service philosophy. Then the authors delve into staffing and assessment of services moving logically to major functional areas of public services: reference, instruction, document delivery, circulation and reserves, collections programming, safety and security issues and facilities and funding. Real life anecdotes from public, academic and school libraries illustrate principles and concepts throughout the book. For each topic the authors detail its role and philosophy and offer key points to remember, references and lists for further reading.

Service Management Jay Kandampully, 2011-12-10. Great retailers are great at service. No exceptions. This book offers a wealth of insight into delivering excellent retail service. Leonard L. Berry, Distinguished Professor of Marketing, N. B. Zale Chair in Retailing and Market Leadership, Mays Business School, Texas A. M. University. With a growing understanding of service as a phenomenon and perspective of business and marketing, retailers are increasingly seeing the need to transform from distribution of products to service providers. This book includes considerable insight regarding the importance of the service perspective and how it can be implemented in retailing. Christian Gronroos, Professor of Service and Relationship Marketing, CERS Centre for Relationship Marketing and Service Management, Hanken School of Economics, Finland. Consisting of chapters written by leading scholars in service management and retailing from around the world, this comprehensive book offers rich insights for how retailers can excel and achieve sustainable competitive advantage by invoking and implementing service management principles. This enlightening book is a valuable resource for students, researchers and practitioners with an interest in retailing. A. Parsu Parasuraman, Professor of Marketing, The James W. McLaure Chair, School of Business Administration, University of Miami, Coral Gables, Florida.
