Your Bible Questions Answered Douglas A. Jacoby, 2011-08-01 Douglas Jacoby international teacher for more than 25 years and author of *Compelling Evidence for God* and the Bible believes that pursuing answers about the Bible and God's truth is a healthy part of a thriving faith. In this encouraging book he helps readers by tackling the questions they may be too timid or intimidated to ask others. With vast biblical knowledge and godly insight Jacoby presents concise straightforward answers to intriguing questions such as: What do we mean when we say the Bible is inspired? Can a person believe in both evolution and the Bible? Is the Bible chauvinistic? Did ancient humans really live for hundreds of years as mentioned in Genesis? How can we understand the Trinity? This extensive fascinating examination of the Bible is ideal for new Christians and longtime believers who desire a solid foundation from which to grow and share their faith. *The Bible's Greatest Questions Answered* Kuda Mupfeka Sr, 2014-05 This book is an amalgamation and skillful blending of revelation, spiritual insight, academics, research, and refined biblical theology. This work caters for the unbeliever, born again, Charismatic, Pentecostal, Evangelical, mainline, Religious Traditionalist, student, skeptic, and atheist; there is something for everyone in this revered and well-researched work. This is one of the few books of its kind that blends scholastic wisdom, academic research, and historical actualities with fresh Bible-based revelation. The author does not bid to coax or cajole you to go with his school of thought; neither does he bestow a myopic viewpoint but uses The Word to explain The Word and balances it with authentic historical facts, substantiated theological facts, and leaves you in a place where you can choose either to believe history, astuteness, scripture, or academics, which are all intermarried in this imposing and revered work. Go through this work not as a denigrator but as a student; maintain an open mind, and you will just be startled how certain mysteries can be solved so simply through divine wisdom that can still be proved by science, history, actualities, and adroitly balanced biblical theology. I have also thrown two bonus chapters in this book: Chapter 9 that deals with How to Study your Bible in a Transforming Way. The chapter will help you to Ask the right questions, Read the Bible topically, Systematically, Maintain an open mind and a receptive spirit, Be prayerful and ask for the leading of The Holy Spirit, Move in Revelation Knowledge. Chapter 10 is the bridge between revelation and scholastic astuteness that will help us in Bringing The Balance. I pray that this book will be a great blessing to you and that a hunger for God and for God's Word will arise inside you. Read this book with an open mind and with a prayerful heart and be blessed. with unbelievers Seeing many fellow Christians paralyzed by fear of not being able to answer their questions he developed here direct simple Bible based answers to those hard questions In his first book *Always Be Ready to Give an Answer* he proposed a strategy to get to the gospel before answering those hard questions Now its time to answer them The four most common questions are 1 Where did Cain get his wife 2 What happens to a native in the jungle who never heard the gospel Does he go to hell 3 Why do bad things happen to good people and 4 Materialists statements like I only believe in what I can see Faith is for fools Everything is relative there are no absolutes These four questions are each answered in depth to give you firm confidence in your personal evangelism Over one hundred more questions are answered simply and directly The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence Your faith will be bolstered by these answers and the analysis of origins You will be empowered in your witnessing and gain great confidence in your faith Yes there are answers to those hard questions Become a fearless evangelist with real answers for the hope that is in you
