A comprehensive reference guide to German military symbols used on documents maps orders of battle and elsewhere To the
uninitiated German military symbols can appear indecipherable Yet understanding their meaning is essential to any serious
research of the WWII German Armed Forces This book provides a clear and comprehensive reference to these symbols as
seen in photos tables of organization and maps for the period May 1943 onwards The first two parts of the book feature an
overview of how the German Armed Forces used the symbols in the field Parts III IV and V deal with specific forms and
categories of symbols used The format provides an image of each symbol accompanied by the relevant German term and its
English translation along with any pertinent information that will aid the reader s understanding of the symbol and the unit
that it represented The final part of the book containing a list of over 500 abbreviations and their German terms
supplemented by English translations should prove invaluable to any reader who has more than a passing interest in the
