**Political Handbook of the World 2016-2017** Tom Lansford, 2017-03-31 Published since 1928 the Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies and political parties than any other reference guide The updated 2016 2017 Edition continues this legacy as the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Political science and international relations scholars have revised this edition and made understanding complex foreign affairs and political situations easy and accessible With more than 200 entries on countries and territories throughout the world housed in one place these volumes are renowned for their extensive coverage of all major and minor political parties and groups in each political system They also provide names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and United Nations agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including The closely watched U S presidential election The effect of the Brexit referendum and installment of a new British prime minister The extensive investigation and subsequent impeachment of Brazil s president The far reaching impact of the Panama Papers scandal Changes in U S Cuba diplomatic relations and the reopening of their embassies The

unconstitutional declaration of Gambia as an Islamic State Sentiments about the migrant and refugee crisis across Europe and the influence on policy Also the new For Further Reference feature included for every country entry directs readers to additional resources to continue their research

**Hurricanes and Carnivals** Lee Gutkind, 2007 In Mexico writes Ilan Stavans in the introduction to this provocative new collection on Mexican culture and politics the essay is embraced as passionately as a sport While the American essay may be personal and confessional or erudite and academic it is presumed to be truthful By contrast the Mexican essay pushes the boundaries between fact and fiction as writers seek to make their opinions heard in literary journals in newspapers and even on cereal boxes What is real and what isn't in a Mexican essay only God knows concludes Stavans In *Hurricanes and Carnivals* Lee Gutkind a pioneer in the teaching of creative nonfiction brings together fifteen essays by Mexican Mexican American and Latin American writers that push the boundaries of style and form showing that navigating truth is anything but clear cut Although creative nonfiction is widely thought to be an American art form this collection proves otherwise By blending fact and fiction story and fantasy history and mythology these writers and others push the bounds of the essay to present a vision of Mexico rarely seen from this side of the border Addressing topics that include immigration politics ecology violence family and sexuality they take literary license on a whirlwind adventure C M Mayo shows us Mexico City as seen through the eyes of her pug Picadou Juan Villoro examines modern Mexico through the lens of demography Homero Aridjis uses the plight of nesting sea turtles to document a slowly changing Mexican attitude toward natural resources and Sam Quinones documents the decline of beauty queen addiction in Mazatlán and tells us about the flower festivals where according to lore only two things matter hurricanes and carnivals For readers interested in a literary view of contemporary Mexico as well as students of the creative nonfiction genre this volume is essential
