Life With Mii Everyday Cat Stories Volume 1:

Life with Mii Kotoyo Noguchi, Elisabeth Hayward, Wako Kura, 2014-12-01 Living with cats isn't just about having fun. What makes them different from dogs? How do they affect people? What happens when they get sick? If you live with a cat, you'll have to face all kinds of problems. It's tougher than it looks. Even so, don't you think that being around them is worth it? I'd like to present the story of the life I shared with my cat. It's a tale full of tears, suffering, and laughter topped with lots of love.

Life with Mii Vol. 2 Kotoyo Noguchi, Elisabeth Hayward, Wako Kura, 2014-12-01 By this volume, being around my cat had become second nature to me. However, I still had lots of questions: Which type of cat litter is best? What should I do with my cat when I go on a trip? What happens if a disaster hits? Every time we overcame a problem together, we understood one another better and grew even closer. Living with a cat is a fantastic experience, wouldn't you agree? **The National Union Catalog**

Catland is the home of Ann Phelps, Diego, and several other feral and rescue cats. This book is loaded full of all the crazy day-to-day, ridiculously hilarious events of an eccentric old cat lady and the mischievous cats, raccoons, sea monkeys, kittens, and several other characters. It is sure to make you laugh out loud and touch your heart. Ann has always had a passion and heart for animals, and especially cats, with a focus mostly on those that are abandoned, sick, or are nearing the end of their life and sadly would most likely not be adopted out. For several years, Ann Phelps has enjoyed creating short stories surrounding the adventures of her cat Diego. She began posting them on Facebook and created a group which began to grow in numbers. In 2017, Ann began to face some difficulties in being able to care for all the cats she was housing. She was inspired to turn her passion for writing into a means to continue to support the operation of Catland and fulfill her heart-felt desire to care for the feline population. The proceeds from this book help to provide shelter, food, medication, vet bills, toys, and much more to all the cats at Catland. **A Hard Day's Life** Makoto Kobayashi, 2002 Everyday cat and human

interactions mingle with fantasy stories featuring the fat cat Michael and other felines. **Life Spirit Of Cats** Dorethea Larocque, 2021-07-24 A perfect little book for cat lovers and anybody who has had a cat in his or her life can learn something new from this book. In this book, you will discover human life from a feline perspective. A unique variety of topics range from viewing your life's purpose, dealing with overeating, and coping with stress and annoying people to appreciating everyday lightness and having fun.
