 literature It gathers together much material that had not been cited in previous works of this kind and secondary works
 relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of

 House of Poe Phillip L. Roderick,2006-05-18 Why was Edgar Allan Poe unable to form either emotional or sexual bonds with
 the women in his life Why did he worship at the grave of his friend s mother a woman he may have loved but who he could
 have never been intimate with Why did he marry his 13 year old cousin and what impact did her tragic death have on his
 literary creations Why do the female characters in his short stories endure disturbingly sadistic punishment and torture at
 the hands of an almost overtly mad husband or acquaintance Through both a feminist and psychoanalytic analysis The Fall of
 the House of Poe attempts to explain Poe s morbid treatment of the female characters in his short stories by examining his
 own disturbingly tragic experiences with women throughout his short life Ultimately this book elucidates unequivocally the

acute psychological motivations for Poe's profoundly psychoanalytic tales of horror and imagination Southern Writers

Romanticism had a dark underside from its inception Romantic Disillusionism encompassing the Gothic and the new demonic
doppelgänger The Classical Tradition's conflict between Plato and Pyrrho foundationalism and scepticism optimism and
pessimism was thus continued Lord Byron's was the most listened to and echoed voice of Romantic Disillusionism in Europe
though by far not the only one This comparative study of a multiplicity of sceptical English French German Italian Spanish
Russian Polish and Czech voices shows how traditional Pyrrhonic arguments were updated to suit the decades of the
Romantic Movement surviving as a subversive countercurrent to later Victorianism and resurging in the literature of the
