military in which individuals commit to a unit and articulate ties with individuals on an impersonal basis grounded in the belief in a greater whole A detailed and empirically grounded study of the mechanisms in which the Foreign Legion not only cuts members ties to people outside the organization but also restricts the creation and maintenance of ties among its members this book shows how atomistic unity is not limited to greedy organizations such as the military but applies to a variety of collectivist settings As such it will appeal to scholars of sociology and anthropology with interests in military life social relations social theory and the work of Goffman   *New York Review of the Telegraph and Telephone and Electrical Journal* ,1916   **Radio World** ,1922   *Charting Thoughts* Low Sze Wee,Patrick Flores,2017-12-31 A constellation of thoughts by 25 established and emerging scholars who plot the indices of modernity and locate new coordinates within the shifting landscape of art These newly commissioned essays are accompanied by close to 200 full colour image plates
