### **Literature in Late Monolingualism**

David Gramling, 2024-11-14 Monolingualism is bad literature is good right For many of us monolingualism is associated with closed mindedness political nationalism and a general hostility to diverse knowledges and experiences of the world In contrast literature continues to stand allegedly un beholden as a symbolic beacon for expansive human expression and insight making meaning astride Earth s thousands of human languages But what if this division of virtue and vice isn t quite right leading us to overlook the uninterrupted historical and aesthetic collusion between political monolingualism and literary novels today What if novels made in a European mold tend to be much more indebted to monolingual structures ideologies and styles than their publishers and even their critics care to acknowledge Instead of whistling past such a discomfort Literature in Late Monolingualism recognizes it squarely detailing the important ways in which many authors of contemporary novels do so too As it turns out these authors and their novels tend to be far less skittish than their marketers are about the vast implications of monolingualism in literature literary critique and civic life Rather than rebuking monolingualism as a social vice or a personal shortcoming authors from China Mi ville to Dorthe Nors to Karin Tidbeck to Neal Stephenson investigate it dauntlessly aiming to show us in vivid terms how monolingualism is still often calling the shots in our globalized aesthetic and political cultures today

### **Fictional Languages in Science Fiction Literature**

Israel A. C. Noletto, 2024-05-31 Fictional Languages in Science Fiction Literature surveys a large number of fictional languages those created as part of a literary world to present a multifaceted account of the literary phenomenon of glossopoesis language invention Consisting of a few untranslated sentences exotic names or even fully fledged languages with detailed grammar and vocabulary fictional languages have been a common element of English language fiction since Thomas More s Utopia 1516 Different notions of the functions of such fictional languages in narrative have been proposed as rooted in phonaesthetics and contextual features or as being used for characterisation and construction of alterity Framed within

stylistics and informed by narrative theory literary theory literary pragmatics and semiotics this study combines previous typologies into a new 5 part reading model comprising unique analytical approaches tailored to science fiction s specific discourse and style exploring the relationship between glossopoesis world building storytelling interpretation and rhetoric both in prose and paratexts

21st-Century British Gothic Emily Horton,2024-01-25 In this innovative re casting of the genre and its received canon Emily Horton explores fictional investments in the Gothic within contemporary British literature revealing how such concepts as the monstrous spectral and uncanny work to illuminate the insecure uneven and precarious experience of 21st century life Reading contemporary works of Gothic fiction by Helen Oyeyemi Kazuo Ishiguro Sarah Moss Patrick McGrath and M R Carey alongside writers not previously grouped under this umbrella including Brian Chikwava Chloe Aridjis and Mohsin Hamid Horton illuminates the way the Gothic has been engaged and reread by contemporary writers to address the cultural anxieties invoked living under neocolonial and neoliberal governance including terrorism migration homelessness racism and climate change Marshalling new modes of diasporic and cross disciplinary critical theory concerned with the violent dimensions of contemporary life this book sets the Gothic aesthetics in such works as *White is for Witching* *Double Vision* *Never Let Me Go* *The Wasted Vigil* and *Ghost Wall* against a backdrop of key events in the 21st century Drawing connections between moments of anxiety such as 9 11 the wars in Afghanistan and Iraq ecological disaster the refugee crisis Brexit the pandemic and the Gothic Horton demonstrates how British literature mediates transnational experiences of trauma and horror while also addressing local and national insecurities and preoccupations As a result 21st Century British Gothic can tests geographical psychological cultural and aesthetic borders to expose an often spectralised experience of human and planetary vulnerability and speaks back against the brutality of global capitalism

*Art and Idea in the Novels of China Miéville* Carl Freedman,2015-09-07 This book offers in the first six chapters critical readings of six novels by China Mi ville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Mi ville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Mi ville who shows them to be in truth indissoluble So argues Freedman s inordinately readable and just as rigorous account of Mi ville s major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Mi ville s novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Mi ville s genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the complex utopian project of Mi ville s fiction Freedman is one of our finest critical voices on Mi ville one of the most important speculative writers of the 21st century Sherryl Vint University of California Riverside

*Hidden Topographies* Raphael Zähringer,2017-04-24 This book examines dystopian fiction s recent paradigm shift towards urban

dystopias It links the dystopian tradition with the literary history of the novel spatio philosophical concepts against the backdrop of the spatial turn and systems theory Five dystopian novels are discussed in great detail China Mi ville s Perdido Street Station 2000 and The City The City 2009 City of Bohane 2011 by Kevin Barry John Berger s Lilac and Flag 1992 and Divided Kingdom 2005 by Rupert Thomson The book includes chapters on the literary history of the dystopian tradition the referential interplay of maps and literature urban spaces in literature borders and transgressions and on systems theory as a tool for charting dystopian fiction The result is a detailed overview of how dystopian fiction constantly adapts to and reflects on the actual world

identity reflect social ideas and norms and challenge perceptions of the real world Contributions from international scholars address a wide range of topics such as queer and digital spaces cartography and the fine arts offering fresh perspectives on the construction poetics and functions of fantastic geographies The editors are united in their research interest in the fantastic and literary geography The essays collected in this edited volume are based on a conference they organised in 2022 at TU Dortmund University Germany

**Aliens in Popular Culture** Michael M. Levy, Farah Mendlesohn, 2019-03-22 An indispensable resource this book provides wide coverage on aliens in fiction and popular culture The wide impact that the imagined alien has had upon Western culture has not been surveyed before in many cases the essays in *Aliens in Popular Culture* are the first written on the topic The book is a compendium of short entries on notable uses of aliens in popular culture across different media and platforms by almost 90 researchers in the field It covers science fiction from the late nineteenth century into the twenty first century including books films television comics games and even advertisements Individual essays point to the ways in which the imagined alien can be seen as a reflection of different fears and tensions within society above all in the Anglo American world The book additionally provides an overview for context and suggestions for further reading All varieties of readers will find it to be a comprehensive reference about the extra terrestrial in popular culture

**China Miéville** Tony Venezia, Sherryl Vint, Raphael Zähringer, Dougal McNeill, Joe Sutcliffe Sanders, Paul March-Russell, Ben De Bruyn, Matthew Sangster, Anthony F. Lang, Jr., Mark P. Williams, Roger Luckhurst, 2015-12-01 The chapters in this collection respond to the range of interests that have shaped Miéville's fiction from his influential role in contemporary genre debates to his ability to pose serious philosophical questions about state control revolutionary struggle regimes of apartheid and the function of international law in a globalized world This collection demonstrates how Miéville's fictions offer a striking example of contemporary literature's ability to imagine alternatives to neoliberal capitalism at a time of crisis for leftist ideas within the political realm

**Lying, Truthtelling, and Storytelling in Children's and Young Adult Literature** Anita Tarr, 2023-12-20 Even though we instruct our children not to lie the truth is that lying is a fundamental part of children's development socially cognitively emotionally morally Lying can sometimes be more compassionate than telling the truth even more ethical Reading specific children's books can instruct child readers how to be guided by an etiquette of lying to know when to tell the truth and when to lie Equally important these stories can help prevent them from being prey to those liars who are intent on taking advantage of them Becoming a critical reader requires that one learn how to lie judiciously as well as to see through others' lies When humans first began to speak we began to lie When we began to lie we started telling stories This is the paradox that in order to tell truthful stories we must be good liars Novels about child artists showcased here illustrate how the protagonist embraces this paradox accepting the stigma that a writer is a liar who tells the truth Emily Dickinson's phrase tell it slant best expresses the vision of how writers for children and young adults negotiate the conundrum of both protecting child readers and teaching them to protect themselves This

volume explores the pervasiveness of lying as well as the necessity for lying in our society the origins of lying as connected to language acquisition the realization that storytelling is both lying and truth-telling and the negotiations child artists must process in order to grasp the paradox that to become storytellers they must become expert liars and lie detectors

Historical Dictionary of Science Fiction in Literature M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject Literature Against Criticism Martin Paul Eve, 2016-10-17 This is a book about the power game currently being played out between two symbiotic cultural institutions the university and the novel As the number of hyper knowledgeable literary fans grows students and researchers in English departments waver between dismissing and harnessing voices outside the academy Meanwhile the role that the university plays in contemporary literary fiction is becoming increasingly complex and metafictional moving far beyond the campus novel of the mid twentieth century Martin Paul Eve's engaging and far reaching study explores the novel's contribution to the ongoing displacement of cultural authority away from university English Spanning the works of Jennifer Egan Ishmael Reed Tom McCarthy Sarah Waters Percival Everett Roberto Bolaño and many others Literature Against Criticism forces us to rethink our previous notions about the relationship between those who write literary fiction and those who critique it

**Images of the Anthropocene in Speculative Fiction** Tereza Dedinová, Weronika Laszkiewicz, Sylwia Borowska-Szerszun, 2021-03-01 In order to demonstrate that speculative fiction provides a valuable contribution to the discussion about the challenges of the Anthropocene Images of the Anthropocene in Speculative Fiction investigates a range of novels whose subject matter pertains to various aspects of the Anthropocene These include the destruction and protection of the natural environment the relationship between human and non human inhabitants of the planet the role of myth in the shaping of and combat against the Anthropocene the political dimensions of the Anthropocene the ensuing threat of the Apocalypse and the role of post apocalyptic narratives To explore these topics our authors examine the works of Patricia Briggs M R Carey Dmitry Glukhovsky Ursula K Le Guin N K Jemisin Stephenie Meyer China Miéville James Patterson Maggie Stiefvater J R R Tolkien and Scott Westfield Their essays demonstrate that speculative fiction given its ability to pursue

scenarios of alternative history and present familiar things in an unfamiliar way can alter the readers perception of their duties and responsibilities towards their communities and the world so that the threat of human wrought destruction might ultimately be averted
