OECD

Ess Paper 2 2013:

Extending social protection to rural populations International Labour Organization, Food and Agriculture Organization of the United Nations, 2021-01-15 Despite the importance of social protection today more than 70 percent of the world's population still has no or limited access to comprehensive social protection Coverage in rural areas where about 80 percent of the world's poor live is even lower Achieving an effective extension of the coverage of social protection benefits and services to the rural population is a key challenge which must be addressed in order to achieve SDG 1 3 Implement nationally appropriate social protection systems and measures for all including floors and by 2030 achieve substantial coverage of the poor and the vulnerable This will require bridging gaps and removing existing barriers that limit the access of rural populations to social protection Extending social protection for all is core to the work of the Food and Agriculture Organization of the United Nations FAO and the International Labour Organization ILO The present paper lays out the specific profiles risks and vulnerabilities of rural populations and explores options to extend social protection coverage to them

ECEG2013- 13th European Conference on eGovernment Walter Castelnovo, Elena Ferrari, 2013-06-13 These proceedings represent the work of authors at the 13th European Conference on e Government ECEG 2013 The Conference this year is hosted by the University of Insubria in Como Italy The Conference Chair is Professor Walter Castelnovo and the Programme Chair is Professor Elena Ferrari both are from the Department of Theoretical and Applied Sciences at the University of Insubria The opening keynote address is given by Dr Gianluca Misuraca from the European Commission Joint Research Centre Institute for Prospective Technological Studies Seville Spain and Gianluca is addressing the topic eGovernment Past Present Future A policy research perspective for renewing governance in the digital age The second day of the conference is opened by Dr Antonio Cordella from the London School of Economics London UK who will talk about Public value creation the new challenge for e government policies ECEG brings together researchers Government officials and practitioners in the area of e Government from around the world Participants are able to share their research findings and explore the latest developments and trends in the field which can then be disseminated to the wider community With an initial submission of 153 abstracts after the double blind peer review process there are papers published in these Conference Proceedings from 40 countries including Australia Austria Belgium Brazil Canada China Costa Rica Croatia Denmark Egypt Germany Greece India Iran Iraq Ireland Italy Latvia Lithuania Luxembourg Malaysia Netherlands New Zealand Norway Pakistan Poland Romania Russia Saudi Arabia Serbia Slovenia South Africa Spain Sweden Switzerland Taiwan Thailand Turkey UK and USA This will ensure a very interesting two days

Rural youth and employment in Ethiopia Schmidt, Emily, Bekele, Firew, 2016-12-22 This paper examines labor diversification in Ethiopia focusing on youth and explores current conditions that youth face in both the agricultural and non farm labor markets Using data from the Ethiopia Socioeconomic Survey ESS and the National Labor Force Survey NLFS we explore current trends in labor diversification along with youth

non farm engagement in rural and small towns We find that youth ages 25 to 34 years have a greater probability of working in non farm enterprises compared to mature individuals age 35 64 However wage labor opportunities remain scant in rural Ethiopia The majority of individuals working in non farm employment are engaged in small scale trade activities *Digital Enlightenment Yearbook 2013* M. Hildebrandt,K. O'Hara,M. Waidner,2013-09-12 The value of personal data has traditionally been understood in ethical terms as a safeguard for personality rights such as human dignity and privacy However we have entered an era where personal data are mined traded and monetized in the process of creating added value often in terms of free services including efficient search support for social networking and personalized communications This volume investigates whether the economic value of personal data can be realized without compromising privacy fairness and contextual integrity It brings scholars and scientists from the disciplines of computer science law and social science together with policymakers engineers and entrepreneurs with practical experience of implementing personal data management The resulting collection will be of interest to anyone concerned about privacy in our digital age especially those working in the field of personal information management whether academics policymakers or those working in the private sector 2013 Global Hunger Index von Grebmer, Klaus,Headey, Derek,Béné, Christophe,Haddad, Lawrence,Olofinbiyi, Tolulope,Wiesmann, Doris,Fritschel, Heidi,Yin, Sandra,Yohannes, Yisehac,Foley, Connell,von Oppeln, Constanze,Iseli, Bettina,2013-10-14 The 2013 Global Hunger Index GHI which reflects data from the period 2008 2012 shows that global hunger has improved since 1990 falling by one third Despite the progress made the level of hunger in the world remains serious with 870 million people going hungry according to estimates by the Food and Agriculture Organization of the United Nations The policy recommendations in this report offer a path forward for the international development humanitarian and donor communities for country level policymakers in food insecure countries and for development and humanitarian practitioners *Studies in Theoretical and Applied Statistics* Cira Perna,Monica Pratesi,Anne Ruiz-Gazen,2018-04-03 This book includes a wide selection of the papers presented at the 48th Scientific Meeting of the Italian Statistical Society SIS2016 held in Salerno on 8 10 June 2016 Covering a wide variety of topics ranging from modern data sources and survey design issues to measuring sustainable development it provides a comprehensive overview of the current Italian scientific research in the fields of open data and big data in public administration and official statistics survey sampling ordinal and symbolic data statistical models and methods for network data time series forecasting spatial analysis environmental statistics economic and financial data analysis statistics in the education system and sustainable development Intended for researchers interested in theoretical and empirical issues this volume provides interesting starting points for further research ECRM2013-Proceedings of the 12th European Conference on Research Methods Isabel Ramos,Anabela Mesquita,2013-04-07 Complete proceedings of the 13th European Conference on Research Methodology for Business and Management Studies ECRM 2013 PRINT version Published by Academic Conferences and Publishing International Limited Social and Solidarity Economy Peter

Utting,2015-04-09 As economic crises growing inequality and climate change prompt a global debate on the meaning and trajectory of development increasing attention is focusing on social and solidarity economy as a distinctive approach to sustainable and rights based development While we are beginning to understand what social and solidarity economy is what it promises and how it differs from business as usual we know far less about whether it can really move beyond its fringe status in many countries and regions Under what conditions can social and solidarity economy scale up and scale out that is expand in terms of the growth of social and solidarity economy organizations and enterprises or spread horizontally within given territories Bringing together leading researchers blending theoretical and empirical analysis and drawing on experiences and case studies from multiple countries and regions this volume addresses these questions In so doing it aims to inform a broad constituency of development actors including scholars practitioners activists and policy makers

Financing Innovation and Sustainable Development in Africa Steve Kayizzi-Mugerwa,Muna Ndulo,2018-04-18 This book derives from a symposium held at Cornell University in April 2014 The symposium explored development financing which has become an important area of policy discussion in Africa and other developing areas in recent years Using multifaceted and multidisciplinary analytical approaches it considers the role of the banking system the stock market credit access external aid and sovereign wealth funds in the evolving development finance architecture Further the volume looks at China s role as an aid donor the impact of BRICs partnerships in South Africa the role of NEPAD in mobilizing resources for infrastructure development and the links between law trade and regional integration The study concurs with previous analyses that greater access to credit by the poor represents the most effective way of fighting poverty and raising the standards of living in Africa Cornell s Institute for African Development and the African Development Bank were cosponsors of the 2014 symposium

OECD Economic Surveys: Austria 2013 OECD,2013-07-02 OECD s 2013 Economic Survey of Austria examines recent economic developments policies and prospects This issue s special chapters cover long term well being

The Quest for Universal Social Policy in the South Juliana Martínez Franzoni,Diego Sánchez-Ancochea,2016-10-20 This volume examines the concept of global social policy architectures and its emergence across issues and through time

New Directions in Agrarian Political Economy Ryan Isakson,2017-10-02 How relevant are the classic theories of agrarian change in the contemporary context This volume explores this question by focusing upon the defining features of agrarian transformation in the 21st century the financialization of food and agriculture the blurring of rural and urban livelihoods through migration and other economic activities forest transition climate change rural indebtedness the co evolution of social policy and moral economies and changing property relations Combined the eleven contributions to this collection provide a broad overview of agrarian studies over the past four decades and identify the contemporary frontiers of agrarian political economy In this path breaking collection the authors show how new iterations of long evident processes continue to catch peasants and smallholders in the crosshairs of crises and how many manage to face these challenges developing new sources

and sites of livelihood production This volume was published as part one of the special double issue celebrating the 40th anniversary of the Journal of Peasant Studies **New Directions in Agrarian Political Economy** Ryan

This volume was published as part one of the special double issue celebrating the 40th anniversary of the Journal of Peasant Studies Social Security Outside the Realm of the Employment Contract Mies Westerveld,Marius Olivier,2019 All over the

world countries face the challenge of inadequate social security coverage for workers without an employment contact In countries of the global south this phenomenon is a natural consequence of large informal economies Countries in the global north increasingly witness the same issue due to growing labour market flexibility flex contracts dependent self employment digitization of labour In this book authors from both hemispheres exchange insights experiments and practices with the intention of finding better ways to deal with the social security challenges facing workers **Handbook of Clean Energy**

Systems, 6 Volume Set Jinyue Yan,2015-06-22 The Handbook of Clean Energy Systems brings together an international team of experts to present a comprehensive overview of the latest research developments and practical applications throughout all areas of clean energy systems Consolidating information which is currently scattered across a wide variety of literature sources the handbook covers a broad range of topics in this interdisciplinary research field including both fossil and renewable energy systems The development of intelligent energy systems for efficient energy processes and mitigation technologies for the reduction of environmental pollutants is explored in depth and environmental social and economic impacts are also addressed Topics covered include Volume 1 Renewable Energy Biomass resources and biofuel production Bioenergy Utilization Solar Energy Wind Energy Geothermal Energy Tidal Energy Volume 2 Clean Energy Conversion Technologies Steam Vapor Power Generation Gas Turbines Power Generation Reciprocating Engines Fuel Cells Cogeneration and Polygeneration Volume 3 Mitigation Technologies Carbon Capture Negative Emissions System Carbon Transportation Carbon Storage Emission Mitigation Technologies Efficiency Improvements and Waste Management Waste to Energy Volume 4 Intelligent Energy Systems Future Electricity Markets Diagnostic and Control of Energy Systems New Electric Transmission Systems Smart Grid and Modern Electrical Systems Energy Efficiency of Municipal Energy Systems Energy

Efficiency of Industrial Energy Systems Consumer Behaviors Load Control and Management Electric Car and Hybrid Car
 Energy Efficiency Improvement Volume 5 Energy Storage Thermal Energy Storage Chemical Storage Mechanical Storage
 Electrochemical Storage Integrated Storage Systems Volume 6 Sustainability of Energy Systems Sustainability Indicators
 Evaluation Criteria and Reporting Regulation and Policy Finance and Investment Emission Trading Modeling and Analysis of
 Energy Systems Energy vs Development Low Carbon Economy Energy Efficiencies and Emission Reduction Key features
 Comprising over 3 500 pages in 6 volumes HCES presents a comprehensive overview of the latest research developments
 and practical applications throughout all areas of clean energy systems consolidating a wealth of information which is
 currently scattered across a wide variety of literature sources In addition to renewable energy systems HCES also covers
 processes for the efficient and clean conversion of traditional fuels such as coal oil and gas energy storage systems mitigation
 technologies for the reduction of environmental pollutants and the development of intelligent energy systems Environmental
 social and economic impacts of energy systems are also addressed in depth Published in full colour throughout Fully indexed
 with cross referencing within and between all six volumes Edited by leading researchers from academia and industry who are
 internationally renowned and active in their respective fields Published in print and online The online version is a single
 publication i e no updates available for one time purchase or through annual subscription Designs for Experimentation
 and Inquiry Åsa Mäkitalo,Todd E. Nicewonger,Mark Elam,2019-06-27 Designs for Experimentation and Inquiry examines how
 digital media is reconfiguring the established worlds of research education and professional practice It reflects on the
 theoretical methodological and ethical issues shaping contemporary engagements with digital learning and offers insights for
 both analysing and intervening in digital learning practices This insightful volume fills a gap in the current literature by
 bringing together experiences from Sociocultural Studies of Learning Science and Technology Studies and Design Studies
 Each chapter is an innovative case study examining a different aspect of digital media s role in research education and
 professional practice by exploring topics such as Learning practices and digitalized dialogue Digital design experiments
 Digitally mediated collaborations Ethical digital inquiry and design Expertly researched and written this book is a unique
 resource for scholars researchers and professionals working in the fields of digital design applied technology and the
 learning sciences The Preface and Introduction as well as Chapters 3 and 5 of this book are freely available as downloadable

 BY NC ND 4 0 license Recommendation on Social Protection Floors Tineke Dijkhoff,Letlhokwa George Mpedi,2016-04-24
 Despite the international community s recognition of social protection as a human right the vast majority of the world s
 population still has no access to social protection In a major effort to address this situation the International Labour
 Conference unanimously adopted the Social Protection Floors Recommendation 202 of 2012 However because of the wide
 variety of possible schemes and techniques that can be employed to administer them there is a genuine risk that important

values relating to social protection will be overlooked in implementing the Recommendation This collection of expert essays contains an in depth clarification and analysis of the Recommendation and sets forth a clear and practicable set of principles that can be used both as a policy tool and as an assessment framework for the creation maintenance and supervision of a national social protection floor This book pays detailed attention to each of the Recommendation s key principles including the following state responsibility universality of protection entitlement based in law adequacy and predictability of benefits non discrimination financial solidarity good governance coherence of policies and social participation A special feature of the book is its inclusion of case studies that display innovative social protection schemes focusing on children and families persons of working age particularly informal sector workers and elderly persons A concluding section offers useful insights on measures that can be taken and lessons learned As a deeply informed and practical guide to ways in which states can and do establish and maintain a social protection floor as a fundamental element of their national social protection systems this book has no peers It will be warmly welcomed by jurists concerned with social protection throughout the world by pertinent government agencies at all levels by non governmental organizations and by academics in the field

The MDGs, Capabilities and Human Rights Sakiko Fukuda-Parr, Alicia Yamin, 2017-10-02 Heralded as opening a new chapter in international development the Millennium Development Goals MDGs have led to the use of global goals and quantitative targets as a central instrument for defining global priorities This book explores the implications of this new approach How does target setting influence policy priorities of national governments bilateral donors multilateral agencies NGOs and other stakeholders What are the intended and unintended consequences Why is the use of numeric indicators effective How does quantification reshape meanings of challenges such as women s empowerment Building on 11 case studies and a conceptual framework this book provides a goal by goal analysis by leading specialists in the relevant fields These specialists analyse the choices made as well as the empirical and normative effects of the MDGs to offer insights for a more rigorous use of indicators and cautions on their limitations and perverse consequences This book was originally published as a special issue of the Journal of Human Development and Capabilities

Handbook on climate information for farming communities - What farmers need and what is available Food and Agriculture Organization of the United Nations, 2019-05-31 The content of this guide is twofold to describe the most important weather and agroclimatic products that are available by the National Meteorological Service NMS and to identify the most important needs of farmers concerning climate information Special consideration will be given to the local knowledge used by rural farmers too often neglected but a key factor to their ability to cope with climate variability and change An additional objective of this guide is to improve communication among the NMS staff in particular meteorologists and agrometeorologists and to encourage Agro Pastoral Field School APFS trainers and facilitators to be more aware of their respective availability Furthermore one of the most important aims is the exchange of agroclimatic information that corresponds to the needs of all concerned thus facilitating the assessment of the

existing climatic risks in farming activities The integration of the Response Farming in Rainfed Agriculture RF approach into Farmer Field School FFS is feasibly an effective way to reconcile NMS products with the needs of farmers RF is a method used for identifying and quantifying rainfall variability at a local level to assess the climatic risks of farming communities The Climate Responsive Farming Management CRFM approach is an enhanced version of RF that uses modern and digital technologies such as specific computer software automatic weather stations real time telecommunication and smartphone applications This approach can be implemented at a minimum cost at the farming level The integration of the Response Farming in Rainfed Agriculture RF approach into FFS is feasibly an effective way to reconcile NMS products with the needs of farmers RF is a method used for identifying and quantifying rainfall variability at a local level to assess the climatic risks of farming communities The Climate Responsive Farming Management CRFM approach is an enhanced version of RF that uses modern and digital technologies such as specific computer software automatic weather stations real time telecommunication and smartphone applications This approach can be implemented at a minimum cost at the farming level International Directory of Corporate Affiliations ,1990

Ess Paper 2 2013 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Ess Paper 2 2013**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall impact on readers.

Ess Paper 2 2013 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Ess Paper 2 2013 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ess Paper 2 2013 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Ess Paper 2 2013 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Ess Paper 2 2013. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Ess Paper 2 2013 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Ess Paper 2 2013 Books

1. Where can I buy Ess Paper 2 2013 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Ess Paper 2 2013 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Ess Paper 2 2013 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Ess Paper 2 2013 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Ess Paper 2 2013 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
