Felt Board Bible Stories:

Splish-Splash Bible Bash Cook Communications Ministries, 2004-08 Splish Splash Bible Bash is a children's ministry program for mixed ages that sends kids off to surf watery Bible stories and learn some important truths. Each lesson opens with a gathering time for prayer and music followed by a lively humorous puppet presentation. Then kids splash into the Bible with interactive stories that put them right on the scene. A choice of application activities makes sure that kids see how Bible truths relate to their lives. Preschoolers can join in the fun with elementary age kids or they can enjoy activities specially planned for the little ones.

The Journey Shirley Borgialli, 2003-04 Do you desire freedom from religious bondage? Are you frustrated with rules? The Journey is a true story that chronicles an extraordinary search for the existence of God. The story begins with her ancestors from whom she has received blessings and cursings. She discovers that dark unseen forces have her under surveillance watching for an opportune time to bring her into temptation and deception. Her carnal nature falls prey to the influence of ungodly temptations and she is lured into the world of fleeting pleasure and sin. Seeking relief from her dilemma catapults her into a smorgasbord of erroneous religious groups. As she adheres to the rules and rituals of religion, she realizes that keeping rules does not tame the carnal beast within. She exchanges her life of sin for one of self-righteousness, false humility, and counterfeit Christianity. Family casualties become a byproduct of her journey and they are left behind in the tumultuous aftermath. Who can rescue her? Only One Jesus Christ. Discovering the truth, her journey takes a sharp turn. She realizes she has not been following God's true path but man's interpretation of it. She undergoes spiritual surgery that removes the false belief systems she had embraced and she finds the true freedom that Christ proclaimed: "You shall know the truth and the truth shall set you free."

Life Is Messy, God Is Good Cynthia Yanof, 2024-02-06 Cynthia Yanof knows how sloppy, slippery, and downright hard life can be. But as she reminds us through her laugh-out-loud stories and heartfelt companionship, God is not surprised when we drop the ball, lose our cool, or struggle to put our Spanx on in the morning. He can use our ridiculous messes and even the really difficult I didn't sign up for this losses to shape us. In *Life Is Messy, God Is Good*, Cynthia invites us to reframe our perspective on the challenges we face so we can see God at work and laugh more along the way. Join her in discovering how we can be faithful to God's purposes right where we are: baseball carpool, dog groomer, and even chaperoning the dreaded zoo field trip. We come to realize one of life's greatest blessings is a handful of crazy godly friends who aren't afraid to tell you to retire your outfit. When we let go of who the world says we should be, we are free to become who God created us to be. Whether you are navigating a difficult new season, working late on another deadline, or simply horrified that your morning routine now includes plucking chin hair, *Life Is Messy, God Is Good* offers an encouraging and hilarious reminder that God is at work in you, even in the mess.

Purpose Sarah J. Royer, 2018-08-21 When I started thinking about building a Faith based curriculum for the early childhood classroom my goal was to create a curriculum that would catch the interest of children 0 Kindergarten See I have worked in the early childhood classroom for almost two decades and while the goal is at the heart of the curriculum I have used the interest it has sparked in our young ones is mild and dulled down at best How can we best instill an excitement to learn in our young ones By making the material and manipulatives hands on and exciting I don't mean by reading a story and pulling out paper puppets on craft sticks although this may be what some children like and want to explore What I mean is presenting values and morals in an explorative manner in conjunction with developmentally appropriate learning standards

that help engage your students in learning experiences while getting them excited Including stories and sensory materials story buckets role playing with dress up materials including a variety of mixed media to spark your student s interests is absolutely necessary Create an environment that appeals to learners of various ages backgrounds and learning styles Make your lesson times fun and interesting and your learners will gravitate back for more
