understanding my submissive husband and his desire to be dominated It was by accident that I discovered my husband s visits to a Dominatrix close by How was I supposed to understand that If I would have had access to a book like this one I would ve understood him much better But back then this book didn t exist Instead I invested lots of time to understand submissive men and went on a journey After some time we introduced FemDom I learned to Dominate I learned to command I learned to own him He s mine now And both of us love it But even today 10 years later there still is no adequate book or guide out there which teaches the two most basic things Accepting and understanding submissive men as a woman Dominanten a man and living a FemDom relationship in the long run That s why I decided to write this book It s not only a collection of thoughts it s a through handbook guiding you on your journey towards total FemDom Here is an overview of what you will find inside Chapter 1 Why I Became A Mistress Understanding Submissive Men On Femdom And Relationships Femdom Is Love Chapter 2 The Benefits Of Female DominationChapter 3 The Mistress And How To Become OneChapter 4 Finding A Submissive Male Or Creating OneChapter 5 Train A Submissive Male To Be A SlaveChapter 6 Establishing Your Authority Ways To Make Him ObeyChapter 7 Managing A Femdom RelationshipChapter 8 How To Make Him Obey With Rituals And Things Chapter 9 The Art Of Discipline Advice Technique And ImplementsChapter 10 Femdom ExamplesChapter 11 Frequently Asked QuestionsChapter 12 Last StepsIt s a 170 page book and contains years of experience What do you need more Here are the two FemDom rules 1 Mistress is always right 2 When Mistress is wrong Rule 1 applies [The Mistress Manual](#) Lorelei,1997-02 In 1994 The Mistress Manual was born as a simple pink guidebook self published by an experienced dominant woman She moved on to other efforts and the book fell out of print much to the disappointment of thousands of eager submissive men and dominant women Now Greenery Press has brought this classic back to life in an updated new edition perfect reading for the woman or man who has completed our Sexually Dominant Woman and is looking for more information Covers everything from establishing authority to exerting discipline Don t miss its famous Ten Rules for a Successful Mistress [A Woman's Guide To Gentle Dominance](#) Sophie Carlotta,2022-02-27 It is not uncommon for a woman to discover her man s submissive side and have no clue how to respond to him Dominance is often something that must be discovered as it is practiced and this book will help her do just that Explore different styles of dominance and understand how to best keep a submissive in his place Inside and outside of the bedroom dominance is a way of life an attitude a personality trait and a sexual turn on This book will guide a woman to dig deep within herself and unleash her potential to get what she wants She will become not only his dominant but also his leader and as a result he will adore her and worship her with deep respect and gratitude As she discovers her new found sexual power he will be discovering what he has always craved his deepest desires to submit to a woman not just sexually but totally This will bring your sex lives to untold heights increasing intimacy and passion and creating a lifestyle that will have you both wondering how you lived without for so long
