The Consuming Geographies of Food Hillary J. Shaw,2014-04-24 The consumption and distribution of food as well as its production has become a major public policy issue over the past few decades what we eat is no longer merely a private matter but carries significant externalities for wider society Its increasing significance within the public arena implies a dissonance regarding the boundaries of food where do we draw the line between food as private and food as public What are the rights of society to impinge upon individual food consumption and what conflicts will ensue when this boundary is disputed The Consuming Geographies of Food explores these multiple issues of food across different regions of the world from the consumer s perspective It uniquely explicates the factors that lead customers towards certain typologies of consumption and towards certain types of retailing offering a comprehensive review of the obesity problem the phenomenon of food deserts and the issue of exclusion from a healthy diet It then considers the effects of food on the consumer the dynamic relationship between food and people and the issue of food exclusion before concluding with possible futures for food consumption from low technology projects to high technology scenarios Based on original research into food access ethics and consumption in both developed and less developed countries this book will be of interest to students researchers and academics in the fields of geography economics hospitality health marketing nutrition and sociology **Polk's Buffalo (Erie County) City Directory** ,1934 *Popular Mechanics* ,1978-08 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle
