

DBA: 3-2-1 Graphic Organizer

This 3-2-1 chart is a required component to successfully passing your DBA. You need to complete this chart before you complete your DBA with me and then submit it with your 1 paragraph summary once you have completed your DBA.

You must also assess yourself according to the Learning Scale Self-Assessment shown below. You need to include your self-assessment before and after you have completed the module. Please be sure to include this in your one paragraph summary.

For example: Before you started module 1 you might rate yourself at a 1 because you did not understand the concepts of supply and demand. After you have learned the module you might score yourself at a 3 or 4 because you now understand the concepts and can apply them to your life.

****Remember:** DBAs are a required part of the course. You must successfully complete each DBA in order to pass the course and receive the password for your module exam. **

Please let me know if you need any help ☺

Learning Scale Self-Assessment	
Congratulations! You have completed or almost completed several lessons in your current Module. Before you complete your upcoming DBA, please make sure you rate yourself using the scale below. If you find yourself at one number one, it might be best to review the lessons again, make sure you have engaged in all interactive activities within the lesson and/or contact your teacher for assistance before you complete the DBA.	
4	I understand all the skills or concepts in the Module and feel that I can apply it in new ways including real world problem solving and problem solving (where applicable). I am confident that I would be able to help other students understand the skills and concepts.
3	I understand all the skills or concepts in the Module and am on target with my learning objectives.
2	I ALMOST have it. I do need extra time and practice to master the skills or concepts.
1	I am trying to understand the skills and concepts, but the material is confusing. I feel frustrated.
