Focus On Me:

Gifts from Friends We Never Wanted Virginia Herbers, 2024-09 Discover how unlikely friends can provide us with gifts beyond measure Unwelcome guests are not generally greeted with gratitude but occasionally they become unexpected friends bearing gifts we never would have asked for In *Gifts from Friends We Never Wanted* Virginia Herbers introduces a sampling of these types of surprising guests in our lives failure disappointment worry and the gifts they offer us when they come visiting Following the same pattern as her first book *Gifts from Friends We've Yet to Meet* Herbers chooses a gospel character to accompany us as we engage these uninvited friends Weaving together the stories of Jesus's contemporaries his response to their foibles and stories from her own experiences Herbers invites us to join her on a journey of discovery vulnerability honesty and hospitality She asks if we dare to befriend the least appealing truths of ourselves to surrender them to a God who can enlighten even the greatest darkness If we dare then we will have truly understood the value of these gifts from friends we never wanted

Your Best Just Got Better Jason W. Womack, 2012-02-07 Imagine if your best just got better every single day In *Your Best Just Got Better* productivity expert Jason Womack teaches readers that working longer hours doesn't make up for a flawed approach to productivity and performance Workers need to clarify their habits build mindset based strategies and be proactive Womack's signature workplace performance techniques offer specific strategies to consistently and incrementally improve performance Readers will Understand the fundamentals of workflow and the principles of human performance Arm themselves with the tools and the processes to get more of their work done on time with fewer resources and with less stress Making your best better won't happen overnight but learning how to effectively manage just a few critical success factors lead to an effective workday and an overall successful professional career

[Ultimate Interview](#) Lynn Williams, 2012-03-03 *Ultimate Interview* will give you all the background information that you need as well as essential practice to secure that job Uniquely among interview guidebooks it organises common interview questions according to specific job types such as management sales and marketing administrative and clerical Each section looks at the thinking behind the questions and suggests an effective method of

answering With additional advice on researching the background to a vacancy and how skills and characteristics can be assessed and developed this book is a must have for all serious job hunters Twisted Jonathan Kellerman,2013-05-28 NEW YORK TIMES BESTSELLER With her energies focused on a baffling vicious gang slaying and her personal life in shambles Hollywood homicide detective Petra Connor has a full plate The last thing she needs is a whiz kid grad student claiming to have stumbled upon a bizarre connection between several unsolved murders An elaborate tangled web With unsuspected turns at every chapter break this addictive tale is as intricately detailed as it is tantalizingly page turning Entertainment Weekly The victims had nothing in common yet each died by the same method on the same date a date that s rapidly approaching again And that leaves Petra with little time to unravel the twisted logic of a cunning predator who s evaded detection for years and whose terrible hour is once more at hand American Photography ,1929 **English Mechanic and Mirror of Science and Art** ,1893 **You're the First One I've Told** Kathryn Whetten,Kathryn

Whetten-Goldstein,Trang Quyen Nguyen,2002 In the second wave of the HIV epidemic those with the disease are more likely than ever to be female younger heterosexual a racial minority and rural living Vital to the development of user friendly health care systems is an understanding of the vastly different lives of this second wave of HIV infected persons You re the First One I ve Told offers a view into the lives of men and women infected with HIV The experiences of twenty five people living with this disease in rural eastern North Carolina serve as the foundation of this book which also draws upon unique HIV AIDS survey data collected by the authors and statistics from the Southeastern United States This combination of qualitative and quantitative information provides readers with a vivid description of how people live with HIV AIDS in the midst of their often traumatic lives and why they manage their illness in ways that seem to contradict mainstream medical and social wisdom The people interviewed represent a variety of races genders professions family lives and medical and social service access and utilization This book is the first to address a history of racism distrust of formalized medical systems homophobia trauma and their interplay with HIV treatment particularly in the South It is an indispensable read for students needing to understand health care for the disenfranchised as well as any provider policymaker or researcher involved in HIV service provision

New Directions in Second Language Pragmatics J. César Félix-Brasdefer,Rachel Shively,2021-02-22 New Directions in Second Language Pragmatics brings together varying perspectives in second language L2 pragmatics to show both historical developments in the field while also looking towards the future including theoretical empirical and implementation perspectives This volume is divided in four sections teaching and learning speech acts assessing pragmatic competence analyzing discourses in digital contexts and current issues in L2 pragmatics The chapters focus on various aspects related to the learning teaching and assessing of L2 pragmatics and cover a range of learning environments The authors address current topics in L2 pragmatics such as speech acts from a discursive perspective pragmatics instruction in the foreign language classroom and during study abroad assessment of pragmatic competence research methods used to collect

pragmatics data pragmatics in computer mediated contexts the role of implicit and explicit knowledge discourse markers as a resource for interaction and the framework of translingual practice Taken together the chapters in this volume foreground innovations and new directions in the field of L2 pragmatics while at the same time ground their work in the existing literature Consequently this volume both highlights where the field of L2 pragmatics has been and offers cutting edge insights into where it is going in the future

The Linguistics of Spoken Communication in Early Modern English Writing
Imogen Marcus, 2017-11-20 This book uses a corpus of manuscript letters from Bess of Hardwick to investigate how linguistic features characteristic of spoken communication function within early modern epistolary prose Using these letters as a primary data source with reference to other epistolary materials from the early modern period 1500 1750 the author examines them in a unique and systematic way The book is the first of its kind to combine a replicable scribal profiling technique used to identify holograph and scribal handwriting within the letters with innovative analyses of the language they contain Furthermore by adopting a discourse analytic approach to the language and making reference to the socio historical context of language use the book provides an alternative perspective to the one often presented in traditional historical accounts of English This volume will appeal to students and scholars of early modern English and historical linguistics
