Coaching A Realistic Perspective is the ideal textbook for anyone entering the coaching profession of any sport More than detailing the duties and tasks of a coach this book explores the often overlooked issues and responsibilities that go hand in hand with coaching relationships among players parents and fans ethical and moral issues and controversies off season housekeeping duties and concerns particular to head and assistant coaches as well as single and married coaches Similar to its previous edition the eleventh edition includes end of chapter discussion questions to help inspire debate over common coaching issues This edition has been updated to reflect the impact of social media on the coaching profession including how it can be used in good positive ways and how it can be detrimental to coaches and athletes if not used properly It also features updated material on the issue of hazing a huge concern today in all levels of athletics *Solving Coaching Problems* Robert G. Hoehn, 1983

Administration of Intercollegiate Athletics Robert Zullo, Erianne Weight, 2024-02-27 The dynamic world of collegiate sports has seen seismic changes since the previous edition of Administration of Intercollegiate Athletics was published Conference realignments name image and likeness NIL advancements multibillion dollar media rights deals expanded bowl games and tournaments and big money corporate sponsorships have all been arisen out of the burgeoning popularity of college sports The growing complexities of the sport administrator s role necessitate a college text that reflects the times And that s exactly what Administration of Intercollegiate Athletics Second Edition does

Some of the most informed and experienced professionals in the field of athletics administration have lent their expertise to the updated second edition making it the most comprehensive resource available today for students aspiring to work in the field and for professionals navigating an increasingly demanding environment. The text offers students a deep dive into the day to day operations of collegiate athletics departments. With chapters covering governing bodies and conference governance, leadership and management, rules compliance, academics, eligibility and student athlete development, media relations and production, financial operations and budgeting, marketing, ticketing, licensing and sponsorships, facility and event management, alumni relations and support services, the text provides students with the essential underpinnings of an athletics administration position. New to this edition is a chapter dedicated to diversity, equity and inclusion to provide broader discussions of athlete social justice, activism, gender equity, Title IX compliance, feminist theory and allyship. In addition, the second edition discusses the rise of NIL deals, legalized sports wagering and esports, as well as the lasting financial impacts of COVID 19 on athletics departments at all levels of intercollegiate sport. While Division I schools grab the spotlight, administrators in Division II, Division III, junior colleges and the National Association of Intercollegiate Athletics (NAIA) athletics departments share the same responsibilities as their Division I counterparts. Throughout the text, *Administration of Intercollegiate Athletics, Second Edition* takes care to address the needs and concerns of administrators at these levels, even more so than in the previous edition. New and updated features include Leadership Lesson sidebars, discussion questions, learning activities and case studies designed to enhance learning and provide practical application of the concepts presented. Also included are Industry Profile sidebars that highlight prominent athletics administrators, Technology Tools sidebars that showcase the latest advancements assisting administrators in their roles, and Professional Development sidebars that provide students with direction on how to enter and succeed in the industry. *Administration of Intercollegiate Athletics, Second Edition* is an essential textbook for courses on intercollegiate athletics sport management or sport marketing and is a relied on resource for current sport administrators.

Coaching Baseball Successfully Mike Curran, Ross Newhan, 2007. Top high school baseball coach Mike Curran shares his coaching strategies covering topics such as off season planning, player evaluation, utilizing the coaching staff, organizing practices, creating effective drills, planning offensive and defensive strategies, scouting, game preparation and in game decision making.

Coaching Ralph J. Sabock, Michael D. Sabock, 2008. *Coaching: A Realistic Perspective* is the ideal textbook for anyone who is preparing to coach athletics. All aspects of the profession are addressed in a clear and straightforward manner, presented with advice gained from decades of experience. The expanded and updated ninth edition examines the qualities of successful coaches, presenting tools for self evaluation, recruiting, off season planning, player and parent expectations of coaches, potential problem areas and the balance between a coach's work life and personal and family life, a topic often overlooked in other textbooks.
