For He Must Reign An Introduction To Reformed Eschatology 1t:

God's Glorious Church Dr. George S. Rohrig, 2011-04-08 This book is a must read for every serious student of the Bible. The question of Israel and the Church in relation to God's eternal purpose is one of the most important subjects defining the Mission of the Church and the many confusing and often misleading interpretations of Bible prophecy. A correct understanding of the roles played by each in the economy of God is vital to the furtherance of the mission and destiny of the Church in this present time as well as the eschatological implications involved. It is the author's intention to present his positions based on scripture rather than extensive reliance on other writer's positions requiring extensive foot notes. He has purposely included the text of many supporting scriptures in the context of the book to allow the reader to view them without turning to a footnote or index in the back of the book or turning to your Bible in order to read them. You are encouraged to read the supporting Bible verses in order to evaluate the veracity of the positions presented. Considerable emphasis is given to the contrasts between the Dispensational Futurist doctrine held by many evangelicals today and the more historic teachings of the reformers of the 15th and 16th century and many evangelicals in the church today. The author examines the presuppositions fundamental to dispensational futurism as presented by Charles Darby, Dr. Scofield, Dr. Pentecost, J. B. Blackstone, Dr. Ryrie and others which hold to a total separation between Israel and the Church, contending that the church has no part in fulfilling any of the Old Testament promises made to Israel. The author presents irrefutable evidence as to the fallacious nature of these presuppositions upon which dispensational futurism stands by examining many Old Testament prophecies and promises fulfilled in the church including the promised new covenant which Jesus the testator instituted at his death. The death of Christ is revealed as the ultimate and final sacrifice whereby God concluded His relationship with Israel under the Mosaic Covenant and began His relationship with a new holy nation encompassing both Jew and gentiles of faith. He broke down the middle wall of partition between the Jew and the gentile making them one Holy Nation, the church. The church is seen as heir to the promises made to Abraham and to Christ. The question of the Kingdom of God in the present age as apposed to a future millennial age is discussed at length because of its importance to the mission and destiny of the church in the eternal purposes of God and the role of individual believers in fulfilling their calling and purpose in possessing the kingdom of God. This book represents a logical and biblically based understanding of the Kingdom of God and the events surrounding the second coming of Jesus Christ. By defining from scripture the roles played by Israel and the Church in Bible prophecy it brings into focus a clear understanding of the mission and destiny of the Church and each individual's role in fulfilling that mission. By untangling the confusion surrounding the subject of Bible prophecy and God's purpose and destiny for His glorious Church which He purposed in Christ it unleashes the reader to come to a Biblical understanding of the following questions: 1 What constitutes the people of God in the earth today? 2 How do the prophecies of the Old Testament relate to the church today? 3 What is The Kingdom of God when and where does it exist? 4 What does the Bible teach

concerning the rapture of the Church seven years before the second coming of Christ 5 Does the Bible teach two separate and distinct plans of redemption one for Jews and another for the Gentiles 6 What is the ultimate purpose and mission of Gods Glorious Church 7 How does this affect your mission and destiny in the Kingdom of God **Manual of Christian Doctrine** Louis Berkhof, 2007-08 More than ever teenagers need to be grounded in a systematic understanding of scripture This classic text by Louis Berkhof has been carefully updated to enable modern readers to comprehend and apply its teachings

Petersen, 1993-06-24 Visionary strength was given to the piety polity and political activity of Protestantism in its formative periods through the way in which the Apocalypse was read By identifying with the text depicting two witnesses or prophets who preach at the end of history are slain by the beast from the abyss understood to be Antichrist and rise again victoriously representatives of the Protestant movement found a measure of self identity This text Revelation 11 3 13 became the lens through which many envisioned the movement of history from the first advent of Christ to his promised return It was used by earlier reform movements but it lent special definition to the work of Protestant ministers through the nineteenth century suggesting different approaches to social organization Preaching in the Last Days is a study in the history of how the Apocalypse was read It is also an examination of how social groups are formed through ideas occasioned by texts It offers an account of the interplay between religious and social history during the time of the development of Protestantism Petersen s study provides a fascinating look at the theological significance of how we read biblical texts and the insights this offers on the development of culture the Christian movement and its churches The book is especially important for understanding the assumptions behind the ways in which the book of Revelation is being read and used in our own day *African Pentecostalism and Eschatological*

Expectations Marius Nel, 2019-09-16 The Pentecostalisation of African Christianity has been called the African Reformation of the past thirty years African Pentecostalism is a diverse movement characterised by its emphases on Spirit baptism divine healing charismatic worship and eschatological expectations This work investigates its eschatological systems in terms of its unrealised expectation of the second coming of Christ and suggestions are presented for the movement to keep its eschatology at the heart of its impetus This is accomplished through a hermeneutical awareness of the distinctiveness of Pentecostalism as a restorationist movement Written for pastors church leaders and believers this book discusses the literalistic way of reading the Bible in most of the classical Pentecostal components of African Pentecostalism supporting their premillennialist and even dispensational eschatological views It suggests a new Pentecostal hermeneutics developed by scholarship in the past forty years in line with significant elements of the way in which early Pentecostals read the Bible This new hermeneutical awareness implies new and exciting ways of thinking about eschatology that will enrich and enlighten African Pentecostalism in its hope for the second coming of Christ

As You See the Day Approaching Theodore G. Van Raalte, 2016-01-06 We are in the last days Living well in such a time depends upon believing that Christ has conquered sin and death and is ruling today alive at God's right hand These essays on the end time will help Christians live like people who really have eternal life already the life of the Spirit of Christ who lives and moves in both Christ and Christians Whether your

question is about heaven the soul hell the new earth about how believers in the Old Testament thought of these things or about what redemptive progress God brought by the resurrection of Christ you will find answers here Readers will also be warmly encouraged by the practical and realistic chapters about the Christian s calling in social and political matters and about the ways that the church s worship is a participation in heavenly realities Central to everything about the end time is the fact that by dying and rising Jesus Christ brought the whole world forward into the last days and has in principle brought Christians into a fullness that Moses and even Adam did not yet know Read and be encouraged
