Rigorous PBL by Design Michael McDowell, 2017-03-01 By designing projects that move students from surface to deep and transfer learning through PBL they will become confident and competent learners Discover how to make three shifts essential to improving PBL's overall effect Clarity Students should be clear on what they are expected to learn where they are in the process and what next steps they need to take to get there Challenge Help students move from surface to deep and transfer learning Culture Empower them to use that knowledge to make a difference in theirs and the lives of others

Monetize Your Process, Not Just Product. Sell The How, Not Just The What Ahmed Musa, 2025-05-31 Everyone sells the product the shiny thing the end result But here's the game changer people don't just want the what they want the how Monetize Your Process Not Just Product flips the script on selling It's not about what you make it's about how you make it happen step by step And when you sell the process you sell control confidence and clarity things buyers pay top dollar for Inside you'll learn How to package your unique way of doing things as a premium offer Why selling how builds trust faster than selling what How to create irresistible programs courses and services based on your process And how to price position and promote the journey instead of just the destination This isn't just product marketing It's owning your expertise and turning your unique methods into profitable assets Read this Sell the blueprint And watch how buyers line up not just for what you offer but for how you make it happen [MSDN Magazine](#), 2009
