Journey's Through Time Christa L. Sagmoe, 2010-10-05 *Journey through time* once again starting in romantic Tuscany where Abby Stevens finds more than she was expecting in Bella Italia. *Destiny Lends a Hand* in medieval Austria where a nobleman must choose between status and love. Next in *Love and Murder* a governess must save her employer from himself when he searches out his wife's killer. Then in *Lofty Expectations* Eric Murray must choose between the dream job and love. In *Indian Summer* a daughter returns to British India where she meets the father she never knew. While in *For All Time* warring clans are the order of the day in 1600s Scotland. We end our journey in 1920s New York where an orphan girl must keep her past a secret during an era where social status is everything. **My Journey Through Time** Dena Merriam, 2020-01-01 *My Journey Through Time* is a spiritual memoir that sheds light on the workings of karma, the law of cause and effect that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births. We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany, then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century. Her lives in the East in Persia, Japan, and India go back to the 15th-17th centuries. With each past life, we can see the way in which it has impacted her present life, how it has stemmed from the end of the previous birth, and how it will influence her next life. Dena Merriam is the founder of an interfaith organization, the Global Peace Initiative of Women. A long-time disciplined meditator, Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death. The memories are triggered when Dena meets a new person or visits a new place in her

current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time
