Journey to a High-Achieving School Fred J. Abbate, Ken Biddle, Joseph M. Tomaselli, 2013-05-16 Journey to a High Achieving School Eliminate Destructive Excuses examines the range of devastating excuses often expressed for failure to attain significant improvement in our schools Using the methods of systems thinking and leadership practices that are employed in high performing organizations of all kinds this book shows concretely and specifically that what is at the root of these excuses can be overcome The core ideas at work in the volume are based on the authors well regarded Academy for Education Leaders an intensive course of seminars conducted for school superintendents principals and other educational leaders for the past several years This is not a quick fix manual offering magic wands or silver bullets It is a carefully structured guidebook that can clearly and demonstrably help educational leaders at all levels of accountability begin to build a serious culture of excellence within their schools and school districts Improvement will take time but as the processes become familiar school leaders can uncover and address the complex but confused assumptions that keep standing in the way of the substantial and measurable improvements that must be made for our society's educational future
