The Morning of Joy Horatius Bonar,1856

The Morning of Joy

Horatius Bonar,2024-08-01 The morning That is our watchword Our evening prayers and songs are filled with hope The morning adds hue to life imparting color to that which is colorless and freshening that which is faded It is the essence of our hopes and dreams Stars may help to make the sky less gloomy but they are not the sun and besides clouds have now covered them so they are no longer visible Torches and beacon lights do not help Our own lights make no impression upon the darkness it is so deep so real so unmistakable We might give up all for lost if we were not assured that there is a sun and that it is hastening to rise and we are watching for it The church s pilgrimage is nearly complete yet she is no less a pilgrim as its end draws near The last stage of the journey might be the dreariest for her Her path lies through the thickest darkness that the world has yet felt It is the sound of falling kingdoms that is guiding us onward It is the fragments of broken thrones lying across our path that assure us that our route is the true one and that its end is near Then comes the morning with its songs and in that morning a kingdom and in that kingdom glory and in that glory the everlasting rest the Sabbath of eternity We belong to the day and the day belongs to us as our true heritage and when it comes we will not be ashamed for having zealously awaited that great day

Joy Ashley Kunze,2018-11-21 We all naturally desire a life that feels light full and happy But how do you get that happy feeling to stick Maybe you try blocking out the negative feelings or rushing through unhappiness to feel better as soon as possible Maybe you try telling yourself that you are already happy or you pretend to be Maybe you discredit your desire for a full life and tell yourself that happiness is impossible Your heart was made for joy happiness that sticks Perhaps trying to feel happy is actually standing in your way of true joy Maybe negative emotions do not mean that you are further from joy but closer to it Maybe it is OK to experience the

painful feelings and walk through them If that elusive happiness is on this side of the journey then perhaps joy real deep joy is on the other side It is God s work to lead you through the journey to joy Your only job is to follow This daily devotional includes 50 Bible passages and reflections that discuss joy as well as four short stories from my journey May these pages give you space to notice yourself as you begin the journey to experiencing true joy [Believe in Love & Joy: The Collection of the Greatest Christmas Novels, Stories, Carols & Legends \(Illustrated Edition\)](#) Charles Dickens,O.
