Happiness Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In
