Fighting On Our Knees Rory Noland,2024-10-08 As modern society becomes increasingly secular Christians today find themselves living in a world that is not only diametrically opposed to their faith but also downright hostile about it While living in what has been deemed an anti Christian culture characterized by a vehemently negative view of both Christianity and Christians we are locked in a fight to the finish battle with the forces of evil Rory Noland calls and equips twenty first century Christians to engage in spiritual warfare by praying the Psalms the same book of prayers that ministered to the Israelites of old and served as their collective voice in turbulent times He highlights a group of psalms that address three specific areas currently under spiritual attack the family the church and the culture at large Each chapter focuses on a particular psalm presents a verse by verse devotional commentary and concludes with prayer exercises based on that psalm

Throughout his presentation Noland encourages Christians to stay vigilant in the all important kingdom work called prayer Fighting on Our Knees calls and equips Christians to engage in spiritual warfare by praying psalms that address three vital areas family church and culture *TPT The Book of Matthew* Brian Simmons,2022-11-01 The book of Matthew narrates the story of Jesus descendant of Abraham heir of David and our eternal King As the first book of the New Testament Matthew connects the past with the present and the future It reveals our majestic loving King and his heavenly kingdom realm and teaches us how to live as citizens of that realm This 12 lesson study guide on the book of Matthew provides a unique and welcoming opportunity to immerse yourself in God s precious Word as expressed in The Passion Translation Begin your journey with a thorough introduction that details Matthew s authorship date of composition first recipients setting purpose central message and key themes Each lesson then walks you through a portion from the book and includes features such as notable verses historical and cultural background information definitions of words and language cross references to other books of the Bible maps and character portraits of figures from the Bible and church history Enrich your biblical understanding of the book of Matthew experience God s love for you and share his heart with others *The Peace We Can't Reach* Meg Gorzycki,2023-09-28 Propelled by George Floyd s murder in her hometown of Minneapolis Meg Gorzycki addresses the question of why peace is difficult to cultivate and sustain and finds that America has always had a love hate relationship with peace The Peace We Can t Reach posits that peace is more than the absence of war and aggression and in its most profound sense is shalom the commitment to live for the well being of all so that compassion and justice might prevail Exploring shalom from the perspective of war police brutality mass shootings and economic injustice this book offers evidence that neither democracy nor Christianity as Americans have known them are capable of achieving peace It asserts that the keys to peace are personal and social narratives that give people a sense of identity and their highest purpose and concludes that gaining control over these narratives is vital to shalom **Safe Passage** Daniel Rossi,2023-09-29 Embark on a profound journey of transformation and empowerment with Safe Passage The Power of Mentorship and the Gift of Journeying with Others In this captivating exploration the true essence and impact of mentorship are illuminated revealing the remarkable power of guiding and uplifting others Through heartfelt stories and inspiring anecdotes this book delves into the transformative relationships that shape lives igniting boundless potential and instilling the courage to overcome obstacles Discover the immeasurable gift of mentorship as mentors provide a safe passage offering wisdom support and guidance propelling individuals towards their true purpose and unlocking hidden talents With each turn of the page readers will witness the remarkable ripple effects of mentorship as mentees not only thrive personally but also become catalysts for positive change in their communities and beyond Imbued with hope and the belief in human potential Safe Passage serves as a powerful testament to the extraordinary impact of mentorship inviting both mentors and mentees to embrace the shared power experience that transforms lives *The Grace Filled Life* Dr. Stephen R. Button,2023-04-03 When Jesus said My

grace is sufficient Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life Were it not for grace we would still be lost in our sin unwilling to or incapable of enjoying the benefits of a relationship with Jesus I chose the word panoply to describe God s grace because grace is so overwhelmingly abundant and impressively available to the believer God s grace is more than sufficient It is abundantly available to all that belong to Him There is a reservoir of grace that will never empty Christ was saying there is nothing else that will compare with it nothing else that will replace it and nothing else that will embody it Grace is sufficient because there is nothing that can be added to it supplement it or enhance it Well written interesting and easy to read It presents a practical understanding and comprehensive application of grace to Christian believers daily lives written at times out of the crucible of personal experience It serves as a wonderful tribute to your Dad Dr Lloyd Button s life and ministry It also represents an incredible amount of careful thought and work I found it to be both clear and captivating Dr David Nicholas President Shasta Bible College Redding California **Race and Restoration** Barclay Key,2020-05-06 From the late nineteenth century to the dawn of the civil rights era the Churches of Christ operated outside of conventional racial customs Many of their congregations even deep in the South counted whites and blacks among their numbers As the civil rights movement began to challenge pervasive social views about race Church of Christ leaders and congregants found themselves in the midst of turmoil In *Race and Restoration* Churches of Christ and the Black Freedom Struggle Barclay Key focuses on how these churches managed race relations during the Jim Crow era and how they adapted to the dramatic changes of the 1960s Although most religious organizations grappled with changing attitudes toward race the Churches of Christ had singular struggles Fundamentally restorationist these exclusionary churches perceived themselves as the only authentic expression of Christianity compelling them to embrace peoples of different races even as they succumbed to prevailing racial attitudes The Churches of Christ thus offer a unique perspective for observing how Christian fellowship and human equality intersected during the civil rights era Key reveals how racial attitudes and practices within individual congregations elude the simple categorizations often employed by historians Public forums designed by churches to bridge racial divides offered insight into the minds of members while revealing the limited progress made by individual churches Although the Churches of Christ did have a more racially diverse composition than many other denominations in the Jim Crow era Key shows that their members were subject to many of the same aversions prejudices and fears of other churches of the time Ironically the tentative biracial relationships that had formed within and between congregations prior to World War II began to dissolve as leading voices of the civil rights movement prioritized desegregation *Simply Electrifying* Craig R.
