Marjorie Garber

Kafka And The Yiddish Theater Its Impact On His Work:

Kafka and the Yiddish Theater Evelyn Torton Beck, 1971-01-01 *Review [of] Kafka and the Yiddish theater: its impact on his work* Norman Friedman, 1973 **Kafka and the Yiddish Theater** Evelyn Torton Beck, 1969 **From Continuity to Contiguity** Dan Miron, 2010-07-19 Dan Miron widely recognized as one of the world's leading experts on modern Jewish literatures begins this study by surveying and critiquing previous attempts to define a common denominator unifying the various modern Jewish literatures. He argues that these prior efforts have all been trapped by the need to see these literatures as a continuum. Miron seeks to break through this impasse by acknowledging discontinuity as the staple characteristic of modern Jewish writing. These literatures instead form a complex of independent yet touching components related through contiguity. *From Continuity to Contiguity* offers original insights into modern Hebrew, Yiddish, and other Jewish literatures, including a new interpretation of Franz Kafka's place within them and discussions of Sholem Aleichem, Sh. Y. Abramovitsh, Akhmad ha-Am, M. Y. Berditshevsky, Kh. N. Bialik, and Y. L. Peretz. *A Study Guide for Franz Kafka's "Hunger Artist"* Gale, Cengage Learning, 2016-07-14 A Study Guide for Franz Kafka's *Hunger Artist* excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. *Kafka's Castle and the Critical Imagination* Stephen D. Dowden, 1995 Kafka's final unfinished novel *The Castle* remains one of the most celebrated yet most stubbornly uninterpretable masterpieces of modernist fiction. Consequently, it has been a lightning rod for theories and methods of literary criticism. In this chronological study of its fate at the hands of academic and non-academic critics, S. D. Dowden lays emphasis on the acts of critical imagination that have shaped our image and understanding of Kafka and his novel. He explores the historical and cultural contingencies of criticism from the Weimar Era of Max Brod and Walter Benjamin to Lionel Trilling's Cold War to the postmodern moment of multiculturalism and its turn to cultural studies. Dowden shows how and why *The Castle* became a contested site in the imaginative life of each succeeding generation of criticism. In addition, he accounts for those moments at which Kafka's novel escapes or at least attempts to escape the gravitational pull of historically anchored understanding. *Fortright in its prose*, Dowden's is a book essential for anyone, casual reader or professional critic, who hopes to grasp the peculiar difficulties and challenges of Kafka's prose in general and of *The Castle* in particular. **The Muses on Their Lunch Hour** Marjorie Garber, 2016-12-01 Witty, shrewd, and imaginative essays on interdisciplinary topics from Shakespeare to psychoanalysis and the practice of higher education today. *Publishers Weekly*: As a break from their ordained labors, what might the Muses do on their lunch hour today? This collection of essays uses these figures of ancient legend to explore such modern-day topics as the curious return of myth and ritual in the theories of evolutionary psychologists and much more. Two themes emerge consistently. The first is that to predict the next big thing in literary studies, we should look back at ideas and

practices set aside by a previous generation of critics In the past several decades we have seen the reemergence of for example textual editing biography character criticism aesthetics and philology as hot new areas for critical intervention The second theme expands on this observation making the case for cultural forgetting as the way the arts and humanities renew themselves both within fields and across them Although she is never represented in traditional paintings or poetry a missing Muse we can call her Amnesia turns out to be a key figure for the creation of theory and criticism in the arts Freedom from the Free Will Dimitris Vardoulakis,2016-08-30 Many of Kafka s narratives place their heroes in situations of confinement Gregor Samsa is locked in his room in the Metamorphosis and the land surveyor in The Castle is stuck in the village unable either to leave or to gain access to the castle Dimitris Vardoulakis argues that Kafka constructs these plots of confinement in order to laugh at his heroes futile attempts to express their will In this way Kafka emerges as a critic of the free will and as a proponent of a different kind of freedom one focused within the confines of one s experience and mediated by one s circumstances Vardoulakis contends that his sense of humor is the key to understanding Kafka as a political thinker Laughter in this account is the tool used to deconstruct power By placing Kafka in dialogue with philosophy and political theory Vardoulakis shows that Kafka can give us invaluable insights into how to be free and how to laugh *Danish Literature as World Literature* Mads Rosendahl Thomsen,Dan Ringgaard,2017-02-09 Investigates the influence of Danish literature on world literature from Hans Christian Andersen to modern Scandinavian crime fiction **Strangers in Berlin** Rachel Seelig,2016-09-19 Insightful look at the interactions between German and migrant Jewish writers and the creative spectrum of Jewish identity

If you ally habit such a referred **Kafka And The Yiddish Theater Its Impact On His Work** book that will give you worth, get the completely best seller from us currently from several preferred authors.
