Kano S Struggle:

Kano's Struggle Cascious Green,2014-12-25 Like most kids growing up in the hood Kano has a dream of going from rags to riches But when his plan to get fast money by robbing the local mom and pop shop goes wrong he quickly finds himself sentenced to serious prison time Follow Kano s struggle as he is schooled to the ways of the game by some of the most respected OGs who ever did it then is set free and given the resources to put his schooling into action and builds the ultimate hood empire *Armed Forces, Conflict, And Change In Africa* Henry S. Bienen,2019-03-04 Nigeria has not evolved political formulas that explicitly allow religion or religious authorities to define legitimacy There have however been struggles carried out in religious terms over constitutional mechanisms for adjudicating conflict Religion also has been an element in the conflict between ethnic language groups Finally religion provides a language a set of values and institutions through which groups struggle and over which groups contend both within and between religious communities It has been necessary for northern leaders to stress Islam in order to maintain northern unity However Islam itself has worked to intensify fissures opened up by social and economic change in Nigeria Islam in Nigeria continues to be contentious in both domestic and foreign policy *Political Conflict and Economic Change in Nigeria* Henry Bienen,2013-11-26 First Published in 1985 In the early morning hours of 31 December 1984 the Nigerian military once again removed an elected head of state A coup carried out by senior military officers ended the Second Republic which had been ushered in by elections at the end of 1979 Political Conflict and Economic Change in Nigeria is based on articles and essays written between 1978 and 1983

corruption reckless government spending poverty inequality crime and violent insurgency to show how successive Nigerian leadership has failed to utilize the country's enormous natural and human resources to improve citizens' lives eradicate poverty and deliver broadly shared prosperity especially to the middle class and the poor. Through his analysis, Nwagbara demonstrates that the nationalist ideals of dedicated and accountable leadership behind the struggle for independence in Nigeria have been betrayed as the emergent post-colonial leadership cared only for personal survival and gain. Despite these failures, Nwagbara reveals that Nigeria may still have a chance to improve and recover if Nigerians unite and demand real change through political and social activism.
