

KATHERINE PARR

COMPLETE WORKS & CORRESPONDENCE

EDITED BY JANEL MUELLER

Katherine Parr Complete Works And Correspondence

**Neil Rhodes, Gordon Kendal, Louise
Wilson**

Katherine Parr Complete Works And Correspondence:

Katherine Parr Katherine Parr, 2011-06-15 To the extent that she is popularly known Katherine Parr 1512-48 is the woman who survived King Henry VIII as his sixth and last wife. She merits far greater recognition however on several other fronts. Fluent in French, Italian, and Latin, Parr also began out of necessity to learn Spanish when she ascended to the throne in 1543. As Henry's wife and queen of England, she was a noted patron of the arts and music and took a personal interest in the education of her stepchildren, Princesses Mary and Elizabeth, and Prince Edward. Above all, Parr commands interest for her literary labors; she was the first woman to publish under her own name in English in England. For this new edition, Janel Mueller has assembled the four publications attributed to Parr: *Psalms or Prayers*, *Prayers or Meditations*, *The Lamentation of a Sinner*, and a compilation of prayers and Biblical excerpts written in her hand, as well as her extensive correspondence which is collected here for the first time. Mueller brings to this volume a wealth of knowledge of sixteenth-century English culture. She marshals the impeccable skills of a textual scholar in rendering Parr's sixteenth-century English for modern readers and provides useful background on the circumstances of and references in Parr's letters and compositions. Given its scope and ambition, *Katherine Parr Complete Works and Correspondence* will be an event for the English publishing world and will make an immediate contribution to the fields of sixteenth-century literature, reformation studies, women's writing, and Tudor politics.

The Mysterious Death of Katherine Parr June Woolerton, 2024-05-30 Raises fresh questions about how Katherine Parr actually died and why she was buried so quickly, painting a vivid picture of the last days of a powerful queen. What killed Katherine Parr? She was the ultimate Tudor survivor, the queen who managed to outwit and outlive Henry VIII. Yet just over eighteen months after his passing, Katherine Parr was dead. She had been one of the most powerful people in the country, even ruling England for her royal husband, yet she had died hundreds of miles from court and been quickly buried in a tiny chapel with few royal trappings. Her grave was lost for centuries, only for her corpse to be mutilated after it was rediscovered during a tea party. The death of Katherine Parr is one of the strangest of any royals and one of the most mysterious. The final days of Henry VIII's last queen included a faithless husband and rumours of a royal affair, while the weeks after her funeral swirled with whispers of poison and murder. *The Mysterious Death of Katherine Parr* dives into the calamitous and tumultuous events leading up to the last hours of a once-powerful queen and the bizarre happenings that followed her passing. From the elaborate embalming of her body that left it in a state of perfect preservation for almost three centuries, despite a burial just yards from her place of death, to the still-unexplained disappearance without trace of her baby, the many questions surrounding the death of Queen Katherine are examined in a new light. This brand-new book from royal author and historian June Woolerton brings together for the first time all the known accounts of the strange rediscovery of Katherine's tomb and the even odder decision to leave it open to the elements and graverobbers for decades, to ask how did Katherine Parr really die.

Katherine Parr Don Matz, 2020-12-15 An original new biography of Henry VIII's last wife

Katherine Parr which shows the strength of the Queen's devotion to protestant beliefs over and beyond her political and personal fortunes All the Queen's Jewels, 1445-1548 Nicola Tallis, 2022-11-29 From Margaret of Anjou to Katherine Parr All the Queen's Jewels examines the jewellery collections of the ten queen consorts of England between 1445 1548 and investigates the collections of jewels a queen had access to as well as the varying contexts in which queens used and wore jewels The jewellery worn by queens reflected both their gender and their status as the first lady of the realm Jewels were more than decorative adornments they were an explicit display of wealth majesty and authority They were often given to queens by those who wished to seek her favour or influence and were also associated with key moments in their lifecycle These included courtship and marriage successfully negotiating childbirth and thus providing dynastic continuity and their elevation to queenly status or coronation This book explores the way that queens acquired jewels whether via their predecessor their own commission or through gift giving It underscores that jewels were a vital tool that enabled queens to shape their identities as consort and to fashion images of power that could be seen by their households court and contemporaries This book is perfect for anyone interested in medieval and Tudor history queenship jewellery and the history of material culture English Renaissance Translation Theory Neil Rhodes, Gordon Kendal, Louise Wilson, 2013 This volume is the first attempt to establish a body of work representing English thinking about the practice of translation in the early modern period The texts assembled cover the long sixteenth century from the age of Caxton to the reign of James 1 and are divided into three sections Translating the Word of God Literary Translation and Translation in the Academy They are accompanied by a substantial introduction explanatory and textual notes and a glossary and bibliography Neil Rhodes is Professor of English Literature and Cultural History at the University of St Andrews and Visiting Professor at the University of Granada Gordon Kendal is an Honorary Research Fellow in the School of English University of St Andrews Louise Wilson is a Leverhulme Early Career Fellow in the School of English University of St Andrews *John Bale and Religious Conversion in Reformation England* Oliver Wort, 2015-10-06 Focusing on the life and work of the evangelical reformer John Bale 1485 1563 Wort presents a study of conversion in the sixteenth century *Fatal Throne: The Wives of Henry VIII Tell All* M. T. Anderson, Candace Fleming, Stephanie Hemphill, Lisa Ann Sandell, Jennifer Donnelly, Linda Sue Park, Deborah Hopkinson, 2020-02-18 Perfect for anyone playing the Six soundtrack on repeat who wants to discover more about the six wives of Henry VIII This is an edge of your seat reimagining of the romance and tragedy that defined them told from multiple points of view by award winning and bestselling authors If you were one of King Henry VIII's six wives who would you be Would you be Anne Boleyn who literally lost her head The subject of rumor and scandal like Catherine Howard Or would you survive like Anna of Cleves Meet all Henry's queens each bound for divorce or death in this epic novel that reads like fantasy but really happened Watch spellbound as each wife attempts to survive their unpredictable king as he grows more obsessed with producing a male heir And discover how the power hungry court fanned the flames of Henry's passions and his most

horrible impulses Brought to life by seven award winning and bestselling authors here is an intimate look at the royals during one of the most treacherous times in history perfect for anyone fascinated by Britain s Royal Family or Netflix s The Crown Ambitious and exciting Bustle These stories of love lust power and intrigue never fail to fascinate Shelf Awareness Starred Review Who s Who M T Anderson Henry VIII Candace Fleming Katharine of Aragon wife 1 Stephanie Hemphill Anne Boleyn wife 2 Lisa Ann Sandell Jane Seymour wife 3 Jennifer Donnelly Anna of Cleves wife 4 Linda Sue Park Catherine Howard wife 5 Deborah Hopkinson Kateryn Parr wife 6 *Women during the English Reformations* K. Kramer, Julie Chappell, 2014-11-19 Catholic or Protestant recusant or godly rebel early modern women reinvented their spiritual and gendered spaces during the reformations in religion in England during the sixteenth century and beyond These essays explore the ways in which some Englishwomen struggled to erase rewrite or reimagine their religious and gender identities Catechisms and Women's Writing in Seventeenth-Century England Paula McQuade, 2017-07-03 This monograph is a study of early modern women s literary use of catechizing It addresses the question of women s literary production in early modern England demonstrating that the reading and writing of catechisms were crucial sites of women s literary engagements in early modern England In the Footsteps of the Six Wives of Henry VIII Sarah Morris, Natalie Grueninger, 2016-03-15 The visitor s companion to the palaces castles and houses associated with Henry VIII s six wives
