are imperative to enhancing our understanding of sport and social media and digital technology *The HELP Vegetarian Nutrition Guide* Kayla Itsines,2014-12-20 The HELP Vegetarian Guide contains Kayla Itsines 107 page clean eating plan including a full 14 day meal plan with recipes Suitable for Vegetarians Vegans and Pescatarians Learn what to eat discover fat burning foods eat tasty meals and speed up your metabolism **Digital Wellness, Health and Fitness Influencers** Stefan Lawrence,2022-10-07 This book examines the phenomenon of digital guru media DGM the self styled online influencers life coaches experts and entrepreneurs who post on the themes of wellness health and fitness It opens up new perspectives on digital leisure and internet celebrity culture and asks important questions about the social cultural and psychological implications of our contemporary relationship with digital media Drawing on cutting edge social theory the book explores a wide range of contexts in which DGM intersects with digital leisure from the health related learning of young people to the clean eating movement to the online lives of fitness professionals It asks if digital and social media are problematic per se and explores the problems a turn to the Internet could be revealing about the lack of real world or analogue support as well as potential solutions for our wellness health and fitness needs and wants Bringing together innovative multi disciplinary perspectives this book is fascinating reading for anybody with an interest in leisure studies media studies cultural studies sociology or health and society *The Routledge Handbook of Motherhood on Screen* Susan Liddy,Deirdre Flynn,2025-04-25 The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces Over five distinct sections this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen Offering a full scholarly overview of the field this handbook provides a ground breaking and important contribution to our understanding of motherhood on screen The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide ranging and comprehensive contribution to knowledge of on screen representations An international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood Thoroughly challenging and expanding understandings of motherhood and mothers this handbook will be an essential multi faceted publication for researchers and students of film TV animation motherhood gender studies feminism ageing studies anthropology and sociology **A Physical Education** Casey Johnston,2025-05-06 From the most visible woman writing about weightlifting today a profoundly engrossing memoir and manifesto about how lifting helped dissolve her allegiance to diet culture taught her to be at home in her body and led her to grow every kind of strength Elizabeth Greenwood In *A Physical Education* Casey Johnston recounts how she ventured into the brave new world of weightlifting leaving behind years of restrictive eating and endless cardio Woven through the trajectory of how she rebuilt her strength and confidence is a staggering expos of the

damaging doctrine spread by diet and fitness culture Johnston's story dives deep into her own past relationships with calorie restriction exercise and codependency As she progresses on her weightlifting journey she begins to eat to fuel her growing strength and her food cravings vanish Her physical progress fuels a growing understanding of how mainstream messaging she received about women's bodies was about preserving the status quo Previously convinced that physical improvement was a matter of suffering she now knows it requires self regard and patience A little pushing at a time adds up to the reawakening of parts of herself she didn't even know were there A Physical Education asks why so many of us spend our lives trying to get healthy by actively making our bodies weaker Casey Johnston is a voice for those of us who feel underdeveloped and unfulfilled in our bodies and are looking to come home to ourselves

Digital Feeling Adrienne Evans, Sarah Riley, 2023-03-03 This book offers a trailblazing account of postfeminist sensibility as a digital feeling that shapes how we understand the world around us It explores how we feel in a world where the digital has become intertwined with our intimate relationships to ourselves and to others The book develops a novel approach that draws on feminist theories of affect emotion and structures of feeling to analyse the entanglements of the digital and the non digital and the public and the private and to show how good feeling shapes a contemporary moment that often leads us back to normativity and reproduces systemic inequality This is achieved through several different digital media spheres including the Instagram account Barbie Savior fitspo content TikTok influencers and their Get Ready With Me videos the archive of hot men on TubeCrush and the intimacies of the internet cat suggesting that each offers a snapshot of our current emotional landscapes

The Media Handbook Helen Katz, 2022-07-07 The eighth edition of The Media Handbook continues to provide a practical introduction to the media planning and buying processes Starting with the broader context in which media planning occurs including a basic understanding of competitive spending and target audiences the book takes readers through the fundamentals of each media channel leading to the creation of a media plan Throughout concepts and calculations are clearly explained This new edition reflects the changes in how people consume media today with a new chapter on how audiences are defined and created reorganization of the media channel chapters to cover planning and buying together expanded coverage of digital formats in all channels added discussion of measurement completely updated data and examples The Media Handbook Eighth Edition is the ideal text for courses in media planning and buying in advertising communication departments Supplemental online resources for both students and instructors are also available For students there is a list of key media associations and chapter overviews To assist in their course preparation instructors will find lecture slides sample test questions and new sample media planning exercise scenarios with accompanying practice spreadsheets These resources are available at www.routledge.com 9780367775568 under Support Material
